GISD District Safety and Security Committee

October 21, 2025

Good Things and/or

What is your favorite or least favorite Halloween candy?

Agenda

- Intruder Detection Audits
  - TEA Intruder Detection Finding Reports
  - Internal Audits
- EOP Review
- Stop the Bleed Kit locations
- New Door Signage
- Update on DVA
- Drug Awareness

TEA Intruder Detection Audits

- As part of the 88th Regular legislative session, Texas Legislature enacted Education Code §37.1084, mandating annual intruder detection audits across public school campuses.

- This initiative is part of a broader effort to strengthen physical security and emergency preparedness in educational institutions statewide.

How are the audits conducted?

- Under this statute, the Office of School Safety and Security, established by Texas Education Code (TEC), §37.1083, coordinates with Regional Education Service Centers to manage School Safety Review Teams.

- Teams conduct unannounced, on-site audits designed to assess a campus's vulnerability to unauthorized entry.

Audits follow a standardized rubric developed in collaboration with the Texas School Safety Center

- Each audit includes multiple phases:
  - Intruder Detection Phase
  - Exterior Door Phase
  - Weekly Exterior Door Sweep Log Review

Intruder Detection Audit Findings

Phase 1 - EVHS and WMS

Phase 1: Intruder Detection Audit	
Do you have corrective actions for Phase 1?	No
Phase 1 Summary	
Were you able to gain unsecured/unauthorized access to the building?	No

Weekly Exterior Door Sweeps Review EVHS and WMS

Weekly Exterior Door Sweeps Audit	
Do you have corrective actions for Weekly Exterior Door Sweeps?	No

PHASE 2 - EVHS

Phase 2: Exterior Door Audit	
Do you have corrective actions for Phase 2?	Yes
Phase 2 Summary	
What was the total number of doors that were propped open?	0
What was the total number of doors that were unlocked?	0
What was the total number of doors that were broken?	1
What was the total number of doors that were improperly secured?	0
Were any items observed near exterior doors that could be used to prop a door open?	No

PHASE 2 - EVHS

Specific Findings

Campus had one or more exterior doors that were broken.

Phase 2 Corrective Actions Required

Specific Findings

- Campus had one or more exterior doors that were broken.

FINDING	INSPECTOR NOTES	PHOTO
Door Broken	**East view High School main building 6** *Far left door was locked just not closed all the way.*	 
Door Broken	**East view High School main building 10** *Door was locked just not closed properly .*	 
Door Broken	**East view High School main building 21** *The far left door was locked just not closed properly .*	 

PHASE 2 - EVHS

Corrective Actions Required

- Immediately conduct a live training session to train campus staff and substitutes that all exterior doors must be closed and properly locked and submit documentation of the staff training roster with includes names of participants, training type, dates, and locations. **(Sept 19, 2025)**

- Develop a plan of action on how to improve school safety procedures around any findings and submit a plan of action that has been or will be put in place to address any doors that were unlocked, broken, or improperly secured.

- Provide public notice, through a posting in the board agenda for the next board meeting, that a report of intruder detection audit findings will be discussed and submit a copy of the agenda from the school board meeting, that a report of the Intruder Detection Audit was discussed. **(Sept 15, 2025)**

- Review findings at the next scheduled Safety and Security Committee meeting. **(Oct 21, 2025)**

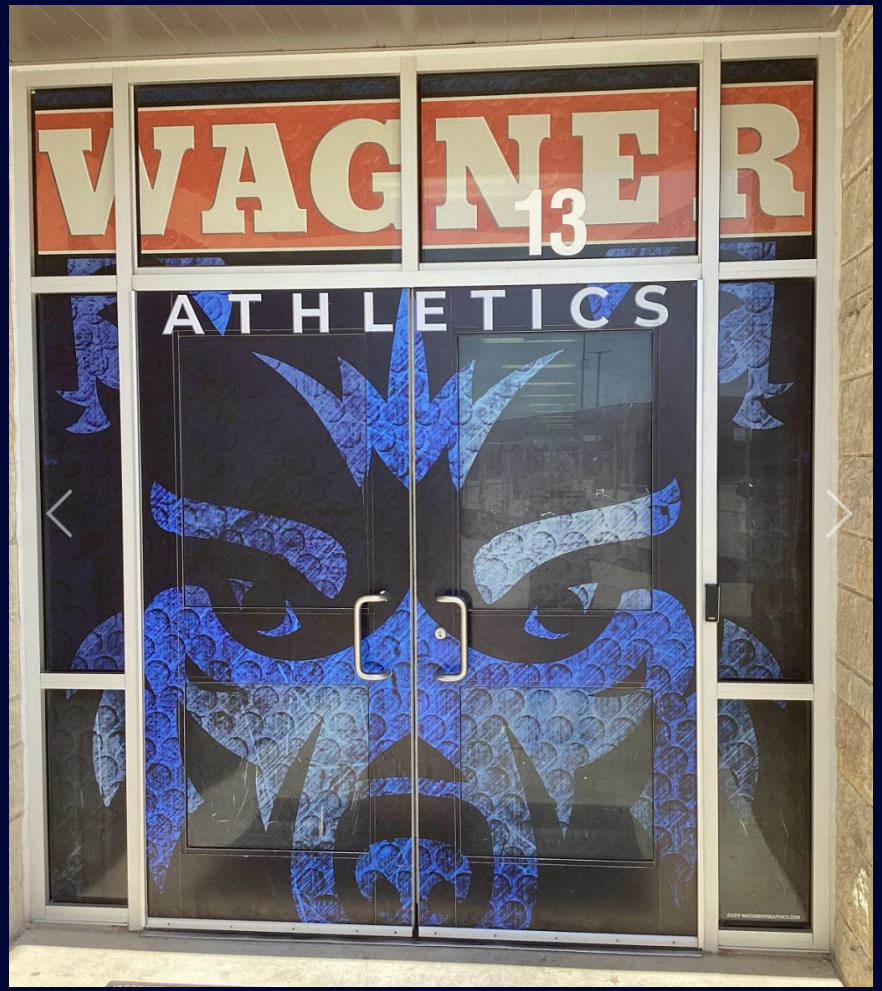

PHASE 2 - Wagner MS

Phase 2: Exterior Door Audit	
Do you have corrective actions for Phase 2?	Yes
Phase 2 Summary	
What was the total number of doors that were propped open?	0
What was the total number of doors that were unlocked?	0
What was the total number of doors that were broken?	1
What was the total number of doors that were improperly secured?	0
Were any items observed near exterior doors that could be used to prop a door open?	No

PHASE 2 - WMS

Specific Findings

- Campus had one or more exterior doors that were broken.
- Right door locked but not closed properly.

PHASE 2 - Wagner MS

Phase 2 Corrective Actions Required

Specific Findings

- Campus had one or more exterior doors that were broken.

Door Broken	**George Wagner Middle Scool main building 13** *Right door was locked but not closed properly .*	 

As a result of a finding in this phase, the LEA is required to perform and submit the following documentation, through the Intruder Detection Audit Online Dashboard, no later than 60 calendar days from the time of the audit:

- Immediately conduct a live training session to train campus staff and substitutes that all exterior doors must be closed and properly locked and submit documentation of the staff training roster which includes names of participants, training type, dates, and locations.
- Develop a plan of action on how to improve school safety procedures around any findings and submit a plan of action that has been or will be put in place to address any doors that were unlocked, broken, or improperly secured.
- Provide public notice, through a posting in the board agenda for the next board meeting, that a report of intruder detection audit findings will be discussed and submit a copy of the agenda from the school board meeting, that a report of the Intruder Detection Audit was discussed.
- Review findings at the next scheduled Safety and Security Committee meeting. (minutes from committee meetings must be retained for verification of meeting compliance at year end)

PHASE 2 - Wagner MS

Corrective Actions Required

- Immediately conduct a live training session to train campus staff and substitutes that all exterior doors must be closed and properly locked and submit documentation of the staff training roster with includes names of participants, training type, dates, and locations. **(Sept 9-11, 2025)**

- Develop a plan of action on how to improve school safety procedures around any findings and submit a plan of action that has been or will be put in place to address any doors that were unlocked, broken, or improperly secured.

- Provide public notice, through a posting in the board agenda for the next board meeting, that a report of intruder detection audit findings will be discussed and submit a copy of the agenda from the school board meeting, that a report of the Intruder Detection Audit was discussed. **(Sept 15, 2025)**

- Review findings at the next scheduled Safety and Security Committee meeting. **(Oct 21, 2025)**

GISD Emergency Operating Procedures (EOP)

District EOP 2025-2026 Review Cycle

Multi-Hazard Emergency Operations Plan (EOP)

Active Treat Annex

- Initial Submission: September 5, 2025
- Findings: Three wording-specific delinquency items
- Resubmission: October 17, 2025
- Approved: October 20, 2025

🕒 **Now take 10 minutes to review your assigned section at each table.**

- I Like, I Wish, I Wonder Protocol

Bleeding Control Stations

Stop the Bleed Kit Locations

Current Setup

- 20-30 Stop the Bleed (STB) kits stored in a central bag within the nurse's clinic
- 1 STB kit located with each AED

Suggested Improvement:

- Place 5 STB kits near AED for faster access during emergencies
- Ensure all kits are pre-opened and stored in easy-to-grab, clearly labeled bags.

New Exterior Door Signage

Uniform Exterior Door Signage

- All campuses will have the same signage on exterior doors
- Provides clarity for visitors and staff on common procedures
- Indicates that all visitors must check in through the front office

Update on GISD District Vulnerability Assessment (DVA)

DVA - District Vulnerability Assessment

- Conducted randomly on a 4-year cycle
  - GISD - January 13-16, 2025

- Comprehensive, standardized set of criteria developed by the TEA (Office of School Safety and Security), in collaboration with Texas School Safety Center (TxSSC)

- DVA metrics align with the legal mandates outlined in:
  - Texas Education Code
  - Commissioner's Rule Concerning School Facilities
  - TEA Standards of Practice

DVA Updates

Corrective Actions

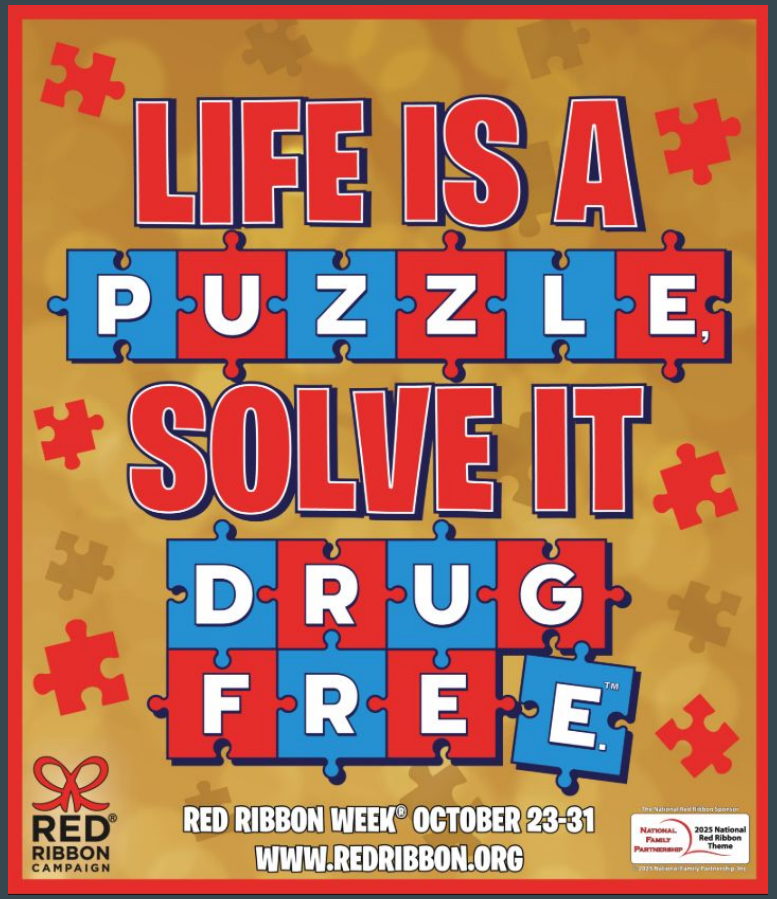

- Corrective Actions currently in progress (Completion due by Dec 2025):
  - Door/Window entry-resistant film; several campuses have been completed, others are currently underway
  - Door Numbering - clockwise vs. counterclockwise; districtwide - installation was completed on 10/20/25
  - Campus maps - to reflect updated numbering, true north orientation; districtwide - working to complete ASAP
  - Emergency Access for first responders; - access cards or lock boxes; districtwide

Drug Awareness

Red Ribbon Week: Oct 23-31

- **Drug-use prevention campaign** - reinforces our commitment to a safe and drug-free learning environment.
- Actively engage students and staff in promoting healthy, drug-free choices that secure a successful future for every child on our campuses.
- Theme, **"Life is a Puzzle, Solve It Drug Free.™"**
- Resources can be found at Red Ribbon Campaign website, https://www.redribbon.org/

October is Fentanyl Poisoning Awareness Month

- Social Media Campaign

- Posters
- Resources
  - **Fentanyl Prevention and Awareness Toolkit**
  - **Fentanyl Response Communications Toolkit**
- Seeking input from SHAC on next steps for Fentanyl awareness

THANK YOU!
