

Summer Reading

For soon-to-be Level 7s

1. Biography

Read one biography of a person of your choice; Write down 7 interesting facts you learned about this person. Add an illustration of your person at an interesting or important time in his or her life. Here are some great examples of biographies

Some other good biographies for rising Level 7 students can be found at: <https://mrnussbaum.com/biographies> (you can filter by grade level on the left-hand side)

2. Bookopolis

Choose one book from the Bookopolis Summer Reading List (link below) under any category. (You may read more, of course, if you'd like!) <https://blog.bookopolis.com/2018/04/23/bookopolis-5th-grade-summer-reading-picks-2018/>

3. Book of your choice

Choose 1 more book of your choice that is at your grade level or above. Picking a book from another Bookopolis list is a great option- there are LOTS of great books on the list.

4. List of books

Please keep a list of every book you read this summer – write down the title and author. I look forward to reading and discussing books with you next year.
