SUPERINTENDENT'S MESSAGE**Dear Flushing Raider Community,**

As we near the end of the 2025-2026 school year, I want to take this opportunity to say thank you to all of our Flushing Community Schools' employees for everything they have done to make the 25-26 school year a successful one. We are extremely grateful to the 565+ employees that work together every day to make great things happen for nearly 4000 students in our district. From the time a student steps on the bus in the morning, to the time they arrive safely home, we are extremely grateful to each staff member that positively impacts that student's life every day. It is not an easy task, but whether on the bus, in the cafeteria, hallway, classroom, office, or on the playgrounds, our staff members are dedicated to supporting every student, making sure their day is as relevant, meaningful, and positive as possible. To all of those working in our schools, we are extremely thankful for your expertise, heart, and dedication to our students and families. Thank you for all that you do!

Last week, at our Community Partnership Breakfast, we were able to recognize the Lorna. A Welch Scholarship Charitable Foundation for their ongoing support of our

graduates' pursuit of higher education. This year marks the 25th year that this endowed scholarship has helped with significant scholarships for our seniors, helping them pursue education after high school. This year, they will award eighteen \$6,700 scholarships, totaling over \$120,000. To date, this endowment fund has provided over \$1 Million in scholarships to graduates of Flushing Community Schools. As Jim Wood from Edward Jones, the financial administrator of this fund and facilitator of the scholarship, shared with all of us, the real impact of such a significant gift is hard to fathom, as the ripple effects in the lives of so many recipients is endless. Thank you to the Lorna. A Welch Scholarship Charitable Foundation and to the hundreds of community partners that support our schools and contribute whenever there is a need.

On May 20, 2026 we look forward to celebrating the accomplishments of nearly 275 Flushing High School graduates. Participating in and

**Matt Shanafelt**

attending high school graduation is my favorite event of the year. It is such a pleasure to recognize our graduates' hard work, dedication, perseverance, pursuit of passion, commitment to academics and skill building, as well as the manifestation of lifelong friendships. I celebrate the memories that are made at Senior Honors Night and Commencement. Time spent with teachers, instructors, coaches, mentors, and community supporters have helped to shape so much of their lives. The smiles, the feelings of accomplishment, and pride that these graduates feel is so well deserved, knowing the work that they have put in over the last 13 years of formal schooling and 18 years of life. Please join me in celebrating their many accomplishments and congratulate them as they move forward, ready to take on the next phase of their lives, pursuing their passion in the world as proud Flushing Raiders. If you see them around town, please give them a shout-out or the "high five" they deserve.

Finally, while we are excited to have a number of our initial bond

projects finished, such as the tennis courts, elementary playground asphalt and basketball hoops, updated doors and secure entry systems, much of our bond work will be continuing throughout the summer and through next school year. This summer, work will continue as we install additional generators and walk-in coolers in all of our buildings, update restrooms at the ECC, install air conditioning in our gymnasiums and lunchrooms, complete a new drainage system and asphalt at our Transportation/Warehouse building, as well as many ongoing projects at the high school athletic complex. With work progressing on schedule, we anticipate our updated softball and baseball fields to be ready for use next spring, with the entire stadium being ready for the start of the 2027-2028 school year. Thanks again to all of you for your support of this multi-faceted project. We wish you all a wonderful summer, while looking forward to August 24, 2026, which will be the first day of school next year.

Thank you and Go Raiders!
Matt Shanafelt

LOOKING AHEAD**GRADUATION**

May 20, 2026
6:30 p.m.

Be sure to congratulate our 2026 graduates!

FROM THE DESK OF**Michelle Barrett**

Executive Director of Curriculum & Instruction

Have you heard of "Summer Slide"? Just like athletes, musicians, and artists, it is important to engage in learning over the summer. If not, students typically "slide back" and lose some of their learning over the 2-month summer break, which can make the transition back to school more challenging. Staying connected to learning all summer long is easy. Setting just a little time aside each week will help prevent learning loss. We have iReady My Path Personalized learning lessons available for K-8th grade via Clever.

In addition, K-6th grade resources are available on our website to make it easy for families to access materials that will help keep your child engaged this summer. Also, the GISD is sponsoring the K-12th grade Read to a Million

Summer Reading Challenge again this year to encourage families to read while school is out for the summer. Check out our website for more details- Click on the "Students" tab, then the "Summer Learning" tab to learn more information about these opportunities.

Summer Youth Camp

Raider Nation Summer Youth Camp for students in grades 3-8 is being held June 11-12 and 15-16, 2026.

Learn more about Stormwater Management

Flushing Community Schools is committed to the environment and strives to be a good steward of the land within its jurisdiction by using appropriate Best Management Practices to contribute to the improvement of water quality within the Flint River Watershed where the district is located.

Flushing Community Schools encourages all students, faculty, staff, parents, and visitors to get involved through opportunities provided by the local watershed groups including Flint River Watershed Coalition.

Why worry about stormwater?

Many people may not realize that stormwater collected in drains located on the street curbs does not flow to their local water treatment plant. Rather, this water remains untreated and is discharged directly into the waterways. During this journey to the waterways, stormwater collects and carries a broad range of pollutants. Stormwater is a nonpoint source of pollution thus making it extremely difficult to address and the single greatest threat to our water quality and watershed health. Nonpoint source pollution comes from many diffuse runoff sources such as rainfall and snowmelt, flowing over and through the ground, picking up pollutants as it goes. Some of these pollutants occur naturally, such as nutrients from sediments, manure, or pet waste. Other pollutants such as fertilizers, automotive grease, and oil occur from our interaction with the environment. Stormwater acts as a carrier of nonpoint source pollution and is therefore considered a major cause of water quality problems both in Michigan and nationwide.

Public Notice of Stormwater Management Plan (SWMP)

To this end, the school district has developed and implemented a "Stormwater Management Plan (SWMP)" to reduce the discharge of pollutants from their MS4 to the Maximum Extent Practicable and protect water quality in accordance with the appropriate water quality requirements of Michigan Act 451, Public Acts of 1994, Part 31, and the Federal Water Pollution Control Act and the district National Pollutant Discharge Elimination Permit (NPDES). A copy of the Stormwater Management Plan (SWMP) is available for review on the district's website at <https://www.flushingschools.org/parents/homepage>. Any questions or comments regarding the Stormwater Management Plan should be directed to the Stormwater Program Manager at (810) 955-8682.

EARLY CHILDHOOD CENTER

KINDERGARTEN

APRIL SHOWERS BRING MAY FLOWERS!

Junior Raiders have been involved in many fun activities including the Big Orange Ticket Contest, Big Yard Game Celebrations, and Family Fun Night.

From our ECC family to yours, we wish you the best end to a magnificent school year. Please enjoy every moment and capture every memory of your children's earliest school experiences. "It's a Good Day, to have a Good Day!"

Kindergarten, DK, and Tuition Based Preschool registration now open!
www.flushingschools.org

JOY OF LEARNING

Students have enjoyed learning about the space adventure, sensory day, creating with shaving cream, and Earth Day!

FAMILY FUN NIGHT

Students, families, and staff enjoyed a night filled with face painting, dancing, learning games, robotics, and much more. Students collected coins to raise money for PTO events. Congratulations to Mrs. Valerio's class for raising the most money and earning a glow dance party! Thank you to the ECC PTO and staff for making this night a success!

CONTEST WINNERS

Mrs. Hoover's class won the Big Orange Ticket Contest! Each student was able to take home a new board game to play with their family.

KINDERGARTEN ROUNDUP

Kindergarten Round Up was a huge success. Our next Kindergarten Roundup will be June 11th, 2026. We can't wait to meet our newest Jr. Raider families.

WORKING AND PLAYING TOGETHER

Students were awarded for being safe, respectful, and responsible in a BIG way! They had the chance to use the large Sorry game, Connect Four, and much more from the PPSC team!

PRESCHOOL

Preschool students and staff have enjoyed many activities in the last month to encourage exploration, imagination, reading, and adventure. Students had the opportunity to be chefs and make green eggs and ham, build friendships in the gym, be adventure seekers on field trips, and explore the value of letters with hands-on activities. Registration night was a success and the ECC preschool staff are excited to welcome the 26/27 preschool families. Enjoy the sunshine, spring is here!

LATCHKEY

Latchkey registration is now open for the 2026 Summer Latchkey program. The summer program includes fun activities to keep your children busy this summer. Weekly optional field trips will be offered, including roller skating, bowling, minigolf, children's museums, local parks, and a visit to the zoo. A few on-site activities will include foam parties, nature programs, introductory karate, garden club, weekly cooking and art activities, and a dance party with a local D.J. You must register your child for the Summer 2026 Latchkey program in advance. Forms can be found on the district website at www.flushingschools.org. Click on the "Departments" tab. For additional information, call the Latchkey office at 810-591-1297.

ELEMENTARY NEWS

CENTRAL ELEMENTARY

CENTRAL FAMILY NIGHT

Central families had a wonderful evening of exploration and learning at the Family Fun Night. They learned about plants, roller coasters, robots, stars, and so much more. Thank you to the Sloan Museum of Discovery for providing such engaging, hands-on activities for families. It was great to see so many students and families learning together.

TALENT SHOW

Central Elementary students showcased their many talents at the talent show, delivering an incredible evening filled with music, laughter, creativity, and fun. From singing and dancing to gymnastics and more, the talent show truly had something for everyone. A heartfelt thank-you goes out to all the brave students who took the stage—they did an amazing job!

ELMS ELEMENTARY

MURAL ARTISTRY TRANSFORMS ENTRANCE

The Flushing High School Art Honor Society did a wonderful job painting a mural at Elms front entrance! Thank you for your hard work!

BOTTLE PEOPLE

Fourth grade students researched and wrote about a person of their choice. They then created their own "bottle people" to display their hard work.

BOOK BINGO NIGHT

During March is Reading Month, students took part in several activities to celebrate and focus on reading. The highlight of the month was Book Bingo Night. Families came together for a fun night of bingo and everyone received a new book.

MUFFINS WITH MOM

The annual Muffins with Mom had a great turnout! We look forward to this tradition every year. Thank you to Elms PTA for their continued support and planning!

STUDENT COUNCIL VOLUNTEERS

The Elms Student Council went to the soup kitchen where students helped prepare boxes for the soup kitchens St. Patrick's Day Box sales. The Student Council did a wonderful job representing Elms!

ELEMENTARY NEWS

SPRINGVIEW

CANDY BAR BINGO

Families had a wonderful time at the annual Candy Bar Bingo event! Each participant brought a full-size candy bar and enjoyed multiple rounds of Bingo for a chance to win their favorite treats. Special guest callers added excitement throughout the evening, making it even more memorable. It was a fun, free event that brought families together for a night of laughter and community.

SLOAN MUSEUM TITLE 1 FAMILY NIGHT

Springview proudly hosted its third annual Title I Family Night in partnership with the Sloan Museum. Families enjoyed an evening filled with engaging STEM activities and a pizza dinner together. Throughout the night, students had the opportunity to win free books through raffle drawings, adding to the excitement. It was a fun and enriching night of learning, exploration, and family connection.

ASD PARENT SUPPORT GROUP

Our first ASD Parent Support Group at Springview was a success! We welcomed 10 parents for an evening focused on connection, learning, and support. Dr. Urooj Beenish shared valuable takeaways from the START Universal Supports training, offering insight from both her perspective as a parent and as a medical professional. Each parent left with helpful resources, including presentation materials, visuals, and a book for their child. We recognize that raising a child with ASD can sometimes feel isolating, and the goal of this group is to build a supportive community while providing meaningful learning opportunities along the way.

RECOGNIZING EVERY DAY HEROES

Congratulations to Aisha Sherwood (pictured) and Martha Case, teachers at Springview, for being recognized with the Every Day Hero Award!

TALENT SHOW

This year's talent show was a huge success! Students wowed the audience with performances that included singing, dancing, comedy, and many other impressive talents. Finnie even made a special appearance, dressed to impress in her shark costume, adding a fun and memorable touch to the evening. It was an outstanding show, and we are already looking forward to next year!

ELEMENTARY NEWS**SEYMOUR ELEMENTARY****FAMILY FUN NIGHT**

Seymour hosted an interactive Science Night in conjunction with Sloan Museum. The turnout was great! Students learned a lot and had an amazing time!

**GLOW DANCE**

The Daddy Daughter Glow Dance was a success! Thank you to the PTO for sponsoring this event, as well as the many parent and staff volunteers.

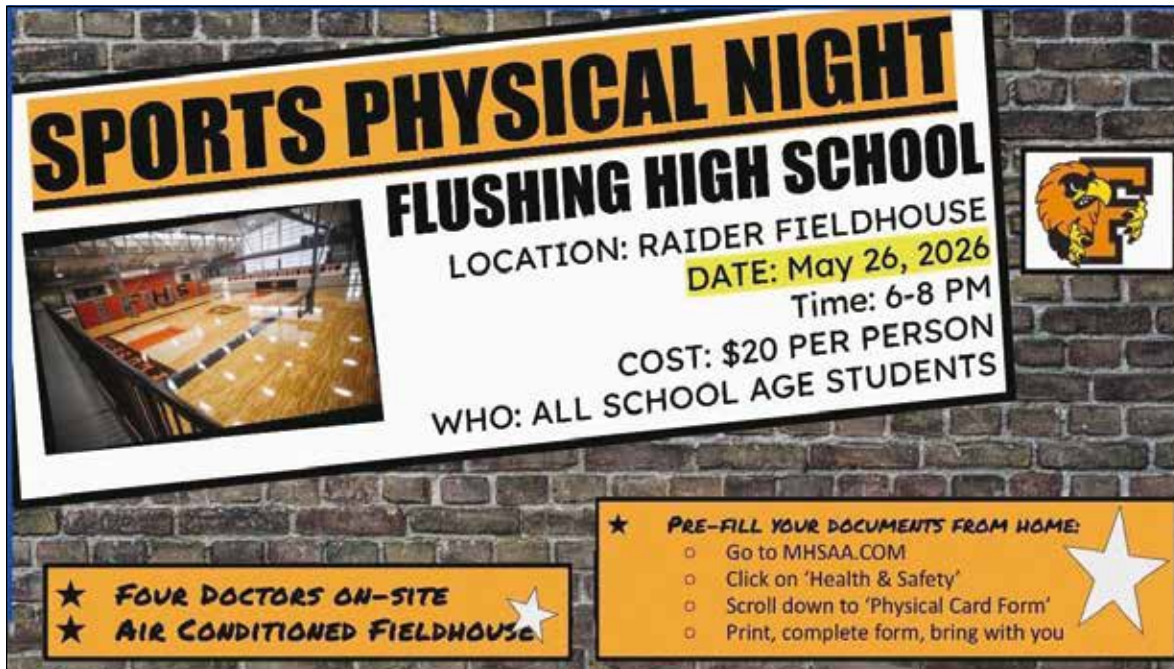

MIDDLE SCHOOL NEWS**SPRING FLING**

Students at the middle school had a wonderful night at the Spring Fling. Thank you to all who helped plan this amazing night!

**PI DAY**

Flushing Middle School held its Annual Pi Bee! Students competed to see who could memorize the most digits of Pi.

HIGH SCHOOL NEWS

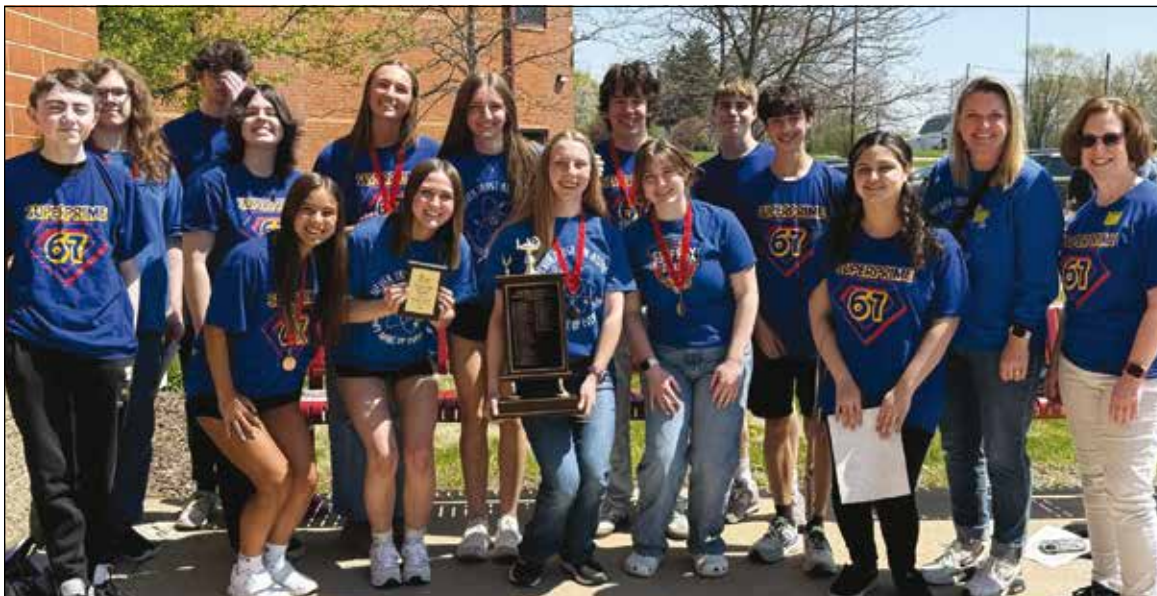

HEROES IN EDUCATION

Congratulations to high school teacher Karen Sleno, who was recognized as a 2026 Heroes in Education Award recipient through the College of Education at Saginaw Valley State University!

MUSICAL GROWTH AND EXCELLENCE

Congratulations to Emerson Bodzick, MJ Lee, and Jeron Blade for their success and participation in MSVMA State Solo & Ensemble.

MATH-SCIENCE COMPETITION

Fourteen Flushing High School Students competed in the Flint Metro League Math-Science Competition. Individually, six medals were earned:

- Christopher Ingham:
2nd Place in
Geophysical Science
- Cheyenne Russell:
1st Place in Biology
- Clayton Lord:
2nd Place in Algebra 2
- Keira Dumas-Knieper:
1st Place in Physics
- Elaney Groulx:
3rd Place in Pre-
Calculus
- Lily Coleman:
1st Place in Calculus

The team worked together to tie for 2nd in the Team Competition and First Place Team over all — a back-to-back League win! Congratulations, Raiders!

Class of 2026

Keira Elise Dumas-Knieper

GPA 4.160

Keira is the daughter of Jennie Dumas and Dennis Knieper and is the Valedictorian of the Class of 2026. Keira is the President of the Science National Honor Society,

Mu Alpha Theta, and the Rho Kappa Honor Society, and a member of the National Honor Society. She was recognized by the Rotary Club of Flushing as Student of the Month. Keira served as the Tennis Captain for the 2025 season, earning many Flint Metro League accomplishments. Keira was recently recognized as a Children's Champion Nominee at the 31st Children's Champions Award Breakfast. In the fall, Keira plans to attend Massachusetts Institute of Technology to study Chemical Engineering.

Allyson Annlaræ Tunnicliff

GPA 4.136

Allyson is the daughter of Steven and Melissa Tunnicliff. She is the Vice President of Mu Alpha Theta, a member of the National Honor Society and the Rho Kappa Honor

Society. Allyson is a Scholar Athlete playing Varsity Tennis for three years and earning Academic All-State in 2025. She has also been awarded AP Scholar with Distinction. In the fall, Allyson will be attending The University of Michigan-Ann Arbor to study Neuroscience and Pre-Medicine.

Mack Vernon Burba

GPA 4.130

Mack is the son of Mark and Kari Burba and is a member of the National Honor Society, the Rho Kappa Honor Society, and Mu Alpha Theta. He also served as

Student Representative for his Junior and Senior year. Mack is the Varsity Golf Team Captain and Cross-Country Team Captain as well as a Scholar Athlete. In the fall, Mack will be attending Olivet Nazarene University studying Business.

Kyle Joseph Collins

GPA 4.122

Kyle is the son of Jeffrey and Laura Collins and is a member of the National Honor Society, the Science National Honor Society, the Rho Kappa Honor Society, and Mu Alpha

Theta. Kyle has been awarded AP Scholar with Distinction. At the Michigan Industrial and Education Society (MITES) State Competition Kyle was the Grand Award Winner in Mechanical Drawing and Divisional Award Winner in Additive Manufacturing Level B, in addition, he placed first in Exploded Information Pictorial Assembly Drawing, Pictorial Assembly Drawing, 3D Printed Static Assembly, and 3D Printed Game. Kyle is enrolled in Flushing Raiders Early College Program (FREC) earning college credits at Mott Community College and then will attend the University of Michigan-Ann Arbor, studying Mechanical Engineering.

Cameron David Smith

GPA 4.094

Cameron is the son of Marc and Nina Smith. Cameron is a member of the Science National Honor Society and Mu Alpha Theta, and has been awarded AP

Scholar with Honor. At the Michigan Industrial and Education Society (MITES) State Competition, Cameron placed fourth for Additive Manufacturing-1 Level B, took second at Regionals in both Mechanical Drawing of a Single Part and Detail Drawing with a Pictorial of a Single Part, and third place at Regionals for Mechanical Drawing-11, Pictorial Drawing of a Single Part. Cameron is enrolled in the Flushing Raider Early College Program (FREC) earning college credits through Mott Community College. Cameron plans to attend Kettering University to study Engineering.

Cody James Aspin

GPA 4.091

Cody is the son of Tim and Sarah Aspin and is a member of the National Honor Society, the Science National Honor Society, Mu Alpha Theta, and is the Quiz Bowl

Team Captain. Cody placed first in Calculus at the 2025 Metro League Math and Science Competition. At the Michigan Industrial Technology Education Society (MITES) State Competition, he won the Grand Award for Additive Manufacturing and Divisional Award for Mechanical Drawing. In the fall, Cody plans to attend Liberty University where he will be studying Mechanical Engineering.

August Gabriel Shanafelt

GPA 4.086

August is the son of Matt and Penny Shanafelt. He is a member of the National Honor Society and Mu Alpha Theta. August took first place for Physics in the 2025 Flint Metro League

Math and Science Competition. He is a Scholar Athlete, participating in Varsity Basketball and Varsity Baseball, who has been recognized with Academic All-District, Academic All-Region, and Academic All-State Honors. He has also been awarded AP Scholar with Honor. In the fall, August will be studying Engineering at the University of Michigan-Ann Arbor.

Ben Jamison Leisure

GPA 4.084

Ben is the son of Courtney Carter and Corey Leisure. He is a member of the National Honor Society, the Science National Honor Society, the Rho Kappa Honor Society,

Mu Alpha Theta, and the Varsity Bowling team. In the fall, Ben will be attending Kettering University to study Mechanical Engineering.

TOP ACADEMIC ACHIEVERS

Evelyn Rose Popovits

GPA 4.080

Evelyn is the daughter of John and Chrissy Popovits. She is the President of GSA, Vice President of the International Thespian Society Troupe 2829, Vice

President of A Cappella, Secretary & Gate Keeper for Mu Alpha Theta, a member of the National Honor Society, the Science National Honor Society, and the Rho Kappa Honor Society. At the International Thespian Society State Festival this year she received an Excellent ranking in two different performance-based categories. Evelyn also competed in the Flint Metro League Math and Science Competition the last three years, earning a first place in Trigonometry in 2025. In the fall, she will be attending Kalamazoo College double majoring in Quantitative Economics and Theater Arts.

Emerson Grace Bodzick

GPA 4.052

Emerson is the daughter of Spencer and Rebecca Bodzick. She is a member of the National Honor Society and the Rho Kappa Honor Society. Emerson

received the 2025 Molly Moquin Spirited Award and Academic All-State. Emerson played on the Varsity Softball team for four years and is also a three time Scholar Athlete. She has also earned top scores at Choral Solo & Ensemble each year she competed. In the fall, Emerson will attend Albion College, majoring in Sports Communication.

Alexander James Gasper

GPA 4.034

Alexander is the son of Brian and Jennifer Gasper. He is a member of the National Honor Society and Mu Alpha Theta. In Golf, he has earned AP Scholar with

Distinction, All-Honorable Mention, Varsity Golf MVP, and Flint Metro League 2nd Team in 2024 and 1st Team in 2025. In the fall, Alexander will attend Saginaw Valley State University, majoring in Finance.

Taylor Hope Langley

GPA 4.032

Taylor is the daughter of Melissa Conkright and Brad Langley. She is a member of the National Honor Society, the Science National Honor Society, the Rho Kappa

Honor Society, Mu Alpha Theta, and is a Scholar Athlete. Taylor plans to attend Mott Community College to study Nursing.

Robert William King

GPA 4.030

Robert is the son of Robert and Betsy King. He is a member of the National Honor Society, the Science National Honor Society, the Rho Kappa Honor Society, and Mu Alpha

Theta. He has earned Academic All-State, Team Academic All-State, and is a Scholar Athlete. Robert took first place in Mechanical Rendering and second place in Pictorial Assembly Drawing in the Michigan Industrial Technological Education Society (MITES) State Competition. In the fall, Robert will be attending the University of Michigan-Ann Arbor, majoring in Architecture.

Charlotte Victoria Weaver

GPA 4.020

Charlotte is the daughter of Charles and Katrina Weaver. She is a member of the National Honor Society, the Science National Honor Society, the Rho Kappa Honor

Society, and Mu Alpha Theta. Charlotte is the 2026 winner of the Barbara J. Yott Memorial Award. She was also the Colorguard Team Section Leader in 2025. In the fall, Charlotte will be attending Michigan State University to study Biochemistry and Pre-Medicine.

Grace Elizabeth Gill

GPA 4.006

Grace is the daughter of Rick and Heather Gill. She is the Vice President of GSA, Media Specialist for the Student Leadership Organization, and President of International

Thespian Society. Grace is a member of the National Honor Society, the Science National Honor Society, the Rho Kappa Honor Society, and Mu Alpha Theta. She is also a member of the A Cappella, Beta Chi Theta, and Madrigals Choirs. At the International Thespian Society State Festival, she competed in the Stage Manager Competition earning a Superior rating and will be competing at the National level in June. In the fall, Grace will be attending Eastern Michigan University majoring in Entertainment Design and Technology.

Juliana Grace Bush

GPA 4.002

Juliana is the daughter of Stephanie Davis and Barry Bush. She is a member of the National Honor Society and the Rho Kappa Honor Society. Juliana is a Scholar Athlete,

where she played Softball, Basketball, and Volleyball. Juliana is enrolled in the Flushing Raiders Early College program (FREC) earning college credits through Mott Community College. She plans to attend Northwood University to study Accounting.

ARTS SHOW**

Thank you

Thank you to all who made the 2026 Annual Visual Arts Show a success! The detail, quality, and imagination of work that was on display was fantastic. You can see the value our district places on the Fine Arts programs when you view the progression of talent from Kindergarten all the way through to the Art Honor Society in High School.
