Educational Records

No one other than a student's parent or legal guardian may access educational records other than directory information. An eligible student (18 years of age) may also access their own educational records. Therefore, the Hazelwood School District cannot, by law, share how students are disciplined with people other than that student's parent or legal guardian.

VALUE STATEMENTS

- High student achievement based on multiple measures as we prepare students to become global citizens.
- A diverse staff that is caring, culturally competent, well trained, and highly effective in their roles.
- Holding ourselves accountable for a culture of excellence with high standards in both academics and behavior.
- Maintaining fiscal responsibility of the district's assets and resources while utilizing the best financial practices.
- A supportive learning environment that fosters healthy socio-emotional development for all students.
- Preparing students with global thinking and skills to make them productive in college, career, and life in the 21st century.
- Community involvement that drives high parental/legal guardian and community/stakeholder engagement, effective partnerships, and positive relationships with informative communication.

HANDBOOK

ATTENDANCE

The Hazelwood School District Board of Education recognizes the importance of regular student attendance to a successful learning experience. Regular and punctual patterns of attendance will be expected of each student enrolled in the Hazelwood School District. When your student is absent, please make sure you communicate with your child's school.

ABSENCES

Excused Absences: *Parent/Legal guardian phone call or note is required.*

- Illness of the student
- Death in the student's immediate family or close friend
- Certain days for religious observance
- Doctor or dental appointments
 - * If a student needs a prearranged absence, (i.e., going on a trip, doctor appointment, and so on), the student must present a written notice with their parent/legal guardian's signature the day before the absence, or before school, if the student plans to leave school during the day. This note must state the time and date the student is to leave and must include a phone number where the parent/legal guardian can be reached for verification. ***It is suggested that parents/legal guardians make dental and doctor appointments after school hours.***
- Court appearance
- Quarantine or hospital confinement
- Planned absence with prior approval, (i.e., participation in a valid educational opportunity, such as college visit)
- Field trips or other school-initiated absences
- Emergency or set of circumstances that, in the judgment of the principal, constitutes a reasonable cause of absence from school, (oversleeping, car trouble, running parental/legal guardian errands, babysitting are usually not considered an emergency).
- Administrative assignment to and attendance at a District-approved program (i.e., Alternative Support Center, In School Suspension, Positive Choice Program)
- Counseling/Therapy

When possible, a student shall be permitted to make-up work missed as a result of an excused absence, unless the work was a whole class activity (i.e., field trip, lab, or physical exercise). Under those circumstances, no penalty shall be imposed on the student's grade; rather, an alternate assignment at the same difficulty level should be given by the teacher.

Unexcused Absences: *An absence not listed under Excused Absences is considered an unexcused absence.*

Leaving school grounds: For the protection of the student, the student is not to leave the school grounds for any reason, with anyone, without permission from the office. Before a student leaves school on a prearranged absence or illness, a student's parent, legal guardian or designee must report to the office and sign out the student, or, for students permitted to drive to school, parents/legal guardians must provide verification that the student is allowed to sign themselves out to leave school grounds unaccompanied. Students who leave campus at an unscheduled time without following these procedures will be subject to disciplinary action as described under "Truancy".

Truancy: An absence from school or class without the knowledge and consent of the parents/legal guardians and the school administration. A parent, legal guardian or custodian of a child or children who do not regularly attend school may be reported to the Children's Division and/or the Juvenile Court System. A violation of the compulsory attendance law is a Class C misdemeanor: Chronic Truancy (Referral to Family Court), and is defined as: a student who is absent from school without approval for a full day or more, part of a day, or all or part of a class on more than 10 occasions during a school year.

ATTENDANCE PROCEDURES

ABSENTEE CALL-IN

There is an absentee call-in line available in each school office 24 hours a day. You should call your school's attendance number to report your child's absence. Please give child's name, teacher's name or room number and the reason for the absence.

DISMISSAL

We discourage early dismissal and request that all medical appointments be scheduled outside of the school day whenever possible. Students are to be released only to parents, legal guardians or those specifically approved by them. Any other adult who requests a student to be released will be asked for identification and the parent/legal guardian will be called. Students will be dismissed from the school office; NOT the classroom. Parents/legal guardians must sign the student out in the office.

Elementary Parents/Legal Guardians: If your child is to go home from school in a manner that deviates from the normal routine, you must contact the school. If you do not call the school attendance clerk, your child will be sent home in the usual manner. Any person picking up your child must produce proper identification and be listed on the emergency contact information before the child will be released.

Middle and High School Parents/Legal Guardians: A student will not be released to a sibling, friend, etc., without a note from the parent/legal guardian for each occurrence. Each note will be verified so it is important that a telephone contact number be included. Any person picking up your child must produce proper identification and be listed on the emergency contact information before the child will be released.

LATE ARRIVAL

Students arriving late to school should report to the attendance secretary in the main office for a late slip to be presented to the classroom teacher.

MAKE-UP WORK

It shall be the student and/or parent's/legal guardian's responsibility to initiate a request for make-up work and establish mutually agreeable times with the teacher for daily work and test make-up.

TARDINESS

Tardiness is defined as arriving late to school, class or the student's assigned area. When students arrive at school after the tardy bell, they must stop in the office for a pass before going to class.

ATTENDANCE REQUIREMENTS AND REPORTING

LEGAL ASPECTS

Missouri School Law clearly places the burden of responsibility for school attendance on the parent or legal guardian.

The law requires all children between 7 and 16 years of age to regularly attend a public, private, parochial, parish, home school or a combination of such schools for the duration of the entire school term. Parents/legal guardians have the responsibility for requiring and promoting their child's regular school attendance, which is the first step in achieving academic success.

COMMUNICATION

The District's attendance procedures will be published annually and made available to each Hazelwood family. For the protection of the student, the following will be communicated:

SCHOOL RESPONSIBILITIES

- A. Each school will keep accurate records of student daily attendance as required by Missouri State Law. District Student Attendance Procedures are available in each school building.
- B. Each school will notify parents/legal guardians of student unexcused and/or excessive absences. Parent/legal guardian notification may include, but is not limited to, one of the following:
Voice mail systems
 - Teacher contact
 - Attendance Office callers
 - Computer-generated letters
 - Progress reports
 - Administrator, counselor or social worker contact
- C. Each school will implement attendance procedures to address excessive and/or unexcused absences/tardies/ early dismissals. These procedures may include the following:
 - Teacher notification of parents/legal guardians (i.e., attendance failure notice, progress report, telephone contact)

TEACHER RESPONSIBILITIES

- A. Each teacher will be responsible for taking and recording accurate student attendance.
- B. Each teacher will be responsible for monitoring student attendance and notifying parents/legal guardians when a student's course grade is being adversely affected by excessive and/or unexcused absences/tardies.
- C. Each teacher will implement the District attendance procedures and policies.
- D. Each teacher will allow students with excused absences to remain current in their class by providing assignments and, whenever possible, allowing students to make up work missed.

NOTE: A student serving suspension under a District program (i.e., Alternative Support Center, Positive Choice Program, In-School Suspension, Saturday Detention, and/or Principal's Suspension) will be eligible to receive academic credit.

PARENT/LEGAL GUARDIAN RESPONSIBILITIES

- A. Missouri School Law under the Compulsory School Attendance subsection places the burden of responsibility for school attendance on the parent/legal guardian.
“Every parent, legal guardian, or other person in this state having charge, control or custody of a child between the ages of 7 and 16 years shall cause the child to attend regularly some public, private, parochial parish, or home school not less than the entire school term of the school which the child attends.” (R.S.MO.167.031).
- B. Parents/legal guardians will notify the school attendance office of each student absence. A call should be made to verify the absence on the day of the absence.
- C. Parents/legal guardians will make the necessary arrangements if they plan in advance to take a student out of school.

NOTE: Parents/legal guardians should understand that it is not possible to make up many activities that occur during class time (i.e., discussions, films, lab work, music rehearsals, physical exercise, etc.).

STUDENT RESPONSIBILITIES

- A. Students will adhere to the attendance procedures as defined by each school.
- B. Students will cooperate with school officials and support personnel to correct any attendance problems that may develop.

NOTE: Except in the case of administrative assignment to a District program (i.e., Alternative Support Center, Positive Choice Program, and In-School Suspension), the student or parent/legal guardian is responsible for initiating the request for make-up work according to school guidelines.

Students should understand that it is not possible to make up many activities that occur during class time (i.e., discussions, films, lab work, music rehearsals, physical exercise, and so on).

A+ SCHOOLS PROGRAM (HIGH SCHOOL)

All Hazelwood School District high schools are considered A+ schools, which can provide students with a financial incentive to attend public community colleges and technical schools. Current guidelines are:

- Be a U.S. citizen, permanent resident, or lawfully present in the U.S.
- Enter into a written agreement with the high school prior to graduation
- Attend a designated A+ high school for 2 years prior to graduation. (In addition, regardless of graduation year, if one of the parents is a member of the military on active duty or has retired from the military and relocated to Missouri within one year of their retirement, the student is exempt from this requirement. However, they must attend an A+ designated high school in

the school year immediately preceding graduation and meet all of the other high school eligibility requirements.

- Graduate with an overall GPA of 2.5 points or higher on a 4-point scale
- Have an overall attendance rate of at least 95 percent for grades 9-12
- Perform 50 hours of district-supervised, unpaid tutoring or mentoring
- Maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol
- Achieved a score of proficient or advanced on the Algebra I end-of-course exam
- Have achieved a score of proficient or advanced on the Algebra I end-of-course exam or a higher level DESE approved end-of-course exam in the field of mathematics or qualifying score on the Math subsection of the ACT with a 17 for 2.5GPA, a 16 with a 2.8 GPA, and 15 with a 3.0 GPA.

BEFORE AND AFTER SCHOOL CARE

Several of our schools have before and/or after school care provided by the YMCA, based upon enrollment in the YMCA. For registration information/school availability, call the YMCA at (314) 521-1822.

BULLYING

In order to promote a safe learning environment for all students, the Hazelwood School District prohibits all forms of bullying. The district also prohibits reprisal or retaliation against any person who reports an act of bullying among or against students.

Definitions

Bullying – In accordance with state law, bullying is defined as intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; that substantially interferes with the educational performance, opportunities or benefits of any student without exception; or that substantially disrupts the orderly operation of the school. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft, or property damage; oral, written, or electronic communication, including name-calling, put-downs, extortion, or threats (including racial bullying); or threats of reprisal or retaliation for reporting such acts.

Cyberbullying – A form of bullying committed by the transmission of a communication including, but not limited to, a message, text, sound or image by means of an electronic device including, but not limited to, a telephone, wireless telephone or other wireless communication devices, computer or pager. The district has jurisdiction over cyberbullying that uses the district's technology resources or that originates on district property, at a district activity or on district transportation. Even when cyberbullying does not involve district property, activities or technology resources, the district will impose consequences and discipline for those who engage in cyberbullying if there is a sufficient nexus to the educational environment, the behavior materially and substantially disrupts the educational environment, the communication involves a threat as defined by law, or the district is otherwise allowed by law to address the behavior.

School Day – A day on the school calendar when students are required to attend school.

Designated Officials

The principal of each building is hereby designated as the individual to receive and investigate reports of bullying. Each building principal shall designate at least two teachers or administrators in the building who are authorized to receive and investigate reports of bullying in the principal's absence or at the principal's discretion.

The district compliance officer appointed in policy Prohibition Against Illegal Discrimination, Harassment And Retaliation will serve as the district wide anti-bullying coordinator. The anti-bullying coordinator will receive all completed investigative reports from all buildings and analyze the reports to identify any information that would inform

the district's anti-discrimination and anti-bullying education and training programs. In addition, the anti-bullying coordinator will assist in making any relevant reports as required by state and federal law.

Reporting Bullying

School employees, substitutes or volunteers are expected to intervene to prevent student bullying, appropriately discipline the perpetrator, assist the victim and report the incident to the building principal or designee for further investigation and action. Any school employee, substitute or volunteer who witnesses or has firsthand knowledge of bullying of a student must report the incident to the building principal or designee as soon as possible, but no later than two school days after the incident.

Students who have been subjected to bullying, or who have witnessed or have knowledge of bullying, are encouraged to promptly report such incidents to a school employee. Any school employee receiving such a report shall promptly transmit the report to the building principal or designee.

If the bullying incident involves students from more than one district building, the report should be made to the principal or designee of the building in which the incident took place or, if appropriate, to the principal or designee of the building attended by the majority of the participants in the incident.

We encourage students, parents, and residents to report bullying and safety and security issues through the HSD Safety Tip Line at tipline@hazelwoodschools.org or 314-281-4584. The online HSD Safety Tip Line is available 24 hours a day, 365 days a year to anyone wishing to report any information. All reports and calls are handled confidentially.

Investigation

Within two school days of receiving a report of bullying, the principal or designee will initiate an investigation of the incident. Reports that involve students from multiple buildings will be investigated cooperatively by the principals of each building involved or those principals may request that the district's compliance officer designated in policy Prohibition Against Illegal Discrimination, Harassment And Retaliation conduct the investigation. If at any time during the investigation the principal determines that the bullying involves illegal discrimination, harassment or retaliation as described in policy Prohibition Against Illegal Discrimination, Harassment And Retaliation, the principal will report the incident to the compliance officer designated in that policy, who will assist in the investigation. If the alleged bullying involves a special education student or a student with disabilities, the principal will also notify the special education director.

The investigation shall be completed within ten school days of the date the report of bullying was received unless good cause exists to extend the investigation. Upon completion of the investigation, the principal will decide whether bullying or harassment occurred and, if so, whether additional discipline is warranted in accordance with the district's student discipline code. The principal will generate a written report of the investigation and findings and send a copy of the completed report to the district's anti-bullying coordinator. The principal or designee will document the report in the files of the victim and the alleged or actual perpetrator of bullying. All reports will be kept confidential in accordance with state and federal law.

If the incident involved allegations of illegal discrimination or harassment, the principal's decision may be appealed in accordance with policy Prohibition Against Illegal Discrimination, Harassment And Retaliation. Student discipline may be appealed when allowed by law in accordance with Board policy.

The principal or other appropriate district staff will work with victims and their families to access resources and services to help them deal with any negative effects that resulted from the incident.

Consequences

Students who participate in bullying or who retaliate against anyone who reports bullying will be disciplined in accordance with the district's discipline code. Such discipline may include restorative circles, detention, in-school suspension, out-of-school suspension, expulsion, and removal from participation in activities, exclusion from honors and awards, and other consequences deemed appropriate by the principal or superintendent. The district will also contact law enforcement when required by law or notify social media companies of inappropriate online activity when appropriate.

Even in situations where the district does not have jurisdiction to discipline a student for bullying, such as when the acts take place off campus and there is an insufficient nexus to the district, the principal or designee will take appropriate actions to assist student victims. Such actions may include, but are not limited to, contacting the parents/legal guardians of the victim and the alleged perpetrators, communicating that this behavior is not allowed on district grounds or at district activities, notifying the appropriate district staff to assist the victim, and taking additional action when appropriate, such as notifying law enforcement or social media companies of inappropriate online activity.

District employees and substitutes who violate this policy will be disciplined or terminated. Discipline may include suspension with or without pay, a negative evaluation, and prohibition from being on district property or at district activities mandated training or other appropriate remedial action. Volunteers who violate this policy will no longer be permitted to volunteer.

Policy Publication

The district shall annually notify students, parents/legal guardians, district employees, substitutes and volunteers about this policy and the district's prohibition against bullying. A copy of this policy shall be included in student handbooks and posted on the district's website.

Training and Education

The district's anti-bullying coordinator will provide information and appropriate training designed to assist employees, substitutes, and volunteers who have significant contact with students in identifying, preventing and responding to incidents of bullying.

The district will provide education and information about bullying and this policy to students every year. The principal of each school, in consultation with school counselors and other

appropriate school employees will determine the best methods for facilitating the discussion. Methods may include but are not limited to: assemblies; homeroom presentations; class meetings; team or club meetings; special presentations by counselors, social workers or mental health professionals; and open-house events. When practical, parents/legal guardians will be invited to attend.

In addition to educating students about the content of this policy, the district will inform students of:

1. The procedure for reporting bullying.
2. The harmful effects of bullying.
3. Any initiatives the school or district has created to address bullying, including student peer-to-peer initiatives.
4. The consequences for those who participate in bullying or engage in reprisal or retaliation against those who report bullying.

School counselors, social workers, mental health professionals, school psychologists or other appropriate district staff will educate students who are victims of bullying about how to overcome the negative effects of bullying including, but not limited to:

1. Cultivating the student's self-worth and self-esteem.
2. Teaching the student to defend him- or herself assertively and effectively without violence.
3. Helping the student develop social skills
4. Encouraging the student to develop an internal locus of control.

Additional School Programs and Resources

The Board directs the superintendent or designee to implement programs and other initiatives to address bullying, respond to such conduct in a manner that does not stigmatize the victim and make resources or referrals available to victims of bullying. Such initiatives may include educating parents/legal guardians and families on bullying prevention and resources.

CAFETERIA AND FOOD SERVICES

Cafeteria services are provided during breakfast and lunch. All breakfasts and lunches served to meet the requirements of the U.S. Department of Agriculture and include a choice of drink. Breakfast is free for all students. Please go to www.hazelwoodschools.org for current lunch prices. Schools will continue the Computerized Prepayment System for complete balanced school meals. Payment may be made by cash or check. Please make all checks payable to Hazelwood School District.

Parents/legal guardians can log onto www.myschoolbucks.com and prepay for their child's meals using a credit card. Once your account is established, you can check balances and fund the account from your

computer, phone or fax. Parents/legal guardians without Internet access can call a toll-free number (1-855-832- 5226) to receive an application to pay by phone or fax. If there is a negative balance in the student's account, payment will first be utilized to clear the balance, and then add additional funds to the student's lunch account.

Siblings may not use each other's accounts without permission from the Food Services Director.

Students qualifying for free meal benefits make no payments. Students qualifying for reduced-price meals must make prepayments of adjusted amounts according to the same procedures as all other students. Students must still enter their number. Students who have no money in their account will be provided a free sandwich and the choice of sides and a drink.

In order to reduce the amount of paper usage and increase efficiency, the District is no longer copying and sending home menus. The menus are available on our website at www.hazelwoodschoools.org. Students may also bring their lunch. Lunch items brought from home should meet the District's Eat Smart guidelines. Parents/legal guardians should contact the office for additional support, if needed.

Information regarding free/reduced meals is available in the school office.

ELEMENTARY SCHOOL

A charge is made against this account each time the student enters his or her student number on a keypad or a lunch card is scanned at the cafeteria checkout. Students should be taught to keep their identification number confidential. Students are reminded when their account is low. A prepayment envelope will be given to each child when the account shows that the student has only three lunches left.

MIDDLE SCHOOL/HIGH SCHOOL

The District uses a computerized meal accounting system. The system scans the barcode on the student's I.D. badge; therefore, students must display and use their District-issued student I.D. badge to eat breakfast and lunch each day. Students must prepay for their breakfast/lunch. Prepayments into a student's account may be done by obtaining a pre-payment envelope from the cafeteria cashier or by picking one up in the grade level offices. Students who are on a free or reduced payment lunch plan must have the annual paperwork filled out and returned each year. Failure to turn in these forms in a timely manner may result in a delay of students being approved for the free or reduced meal prices. Students are not allowed to charge lunches. Students may also bring their lunch. Lunch items brought from home should meet the District's EatSmart guidelines.

CHILD ABUSE AND PROTECTION

Missouri law requires that school administrators, counselors, or teachers report all incidents of suspected child abuse or neglect to the proper legal authorities. Any school employee, pursuant to the performance of their duties, having reasonable cause to believe that a child coming before them has physical injuries that may have been intentionally inflicted by a person responsible for the child's care, must notify the Children's Division and the administrator in charge of the child.

CITIZENSHIP AND DISCIPLINE

Students and teachers have different roles in the school environment. Students need to be mindful of these roles and understand that while at school, the teacher serves as an authority figure.

The law provides teachers with considerable authority over the control and education of the child once the child has been sent to school by the parent/legal guardian. Students are expected to be respectful to all students, faculty, and staff: teachers, principals, counselors, cafeteria workers, custodians, security officers, etc., and visitors in the building. Students should follow faculty and staff instructions upon the first request in a positive manner (no back talk, rude gestures, or destruction of school property). Rude, disrespectful, and potentially violent language, behavior and actions will not be tolerated and will result in the appropriate disciplinary action.

ATHLETIC PARTICIPATION AND EVENT CONDUCT

To be eligible to participate in school athletics and activities is a privilege—not an inherent right—granted if you meet the eligibility standards as set forth by the Missouri State High School Activities Association. MSHSAA eligibility standards can be found at www.mshsaa.org or see your school's activities director. A student's behavior and or conduct should be reflective of the Hazelwood School District's student handbook. A student whose character or conduct is such as to reflect discredit upon themselves may be removed from the team.

Students are expected to follow the Student-Parent Handbook/Behavior Guide during all school-sponsored events. Students are encouraged to demonstrate school spirit through positive avenues, such as wearing school colors, attire, and cheering for their team. Please be respectful of all spectators and opposing teams and their fans. Any violation of school policy can result in disciplinary action.

COMMUNICATION AND VISITING SCHOOLS

BOARD OF EDUCATION

Check www.hazelwoodschoools.org in the "about us" section for information on the Board of Education meetings.

CHANGE OF ADDRESS OR PHONE NUMBER

For your child's safety and well-being, please notify the school immediately if you have a change of address and/or phone number either at home or at work. If you have a change of address, documentation of such a change must be presented to the school office. Cell phone numbers may also be sent to the school office.

CONTACTING TEACHERS

Parents/legal guardians wishing to contact their child's teacher may call the school office to leave a message for the teacher. **TEACHERS WILL NOT BE ABLE TO TAKE CALLS DURING CLASS TIME.** Please make appointments for conferences with teachers in advance. You may also email your child's teacher. Go to www.hazelwoodschoools.org for an e-mail directory.

FACULTY/STAFF CONTACTS

Faculty and staff may be contacted by voicemail or email.

Opportunities to interact with the principal, teacher or counselor are available during the school's open house, parent/legal guardian/teacher conferences, or by appointment. You may call the person you would like to meet and arrange a mutually convenient time. Please be aware that you will need to sign in at the main office if meeting with a faculty member and wait in the main office for the appointment.

Assistant Principals: The assistant principal's role in the school is an instructional leader. While teachers work with every student to resolve discipline issues, the assistant principal may be called to intervene in certain situations. The assistant principal will follow the Student-Parent Handbook/Behavior Guide when dealing with student misbehavior and violations.

Counselors: Students are assigned a counselor when they enroll. The counselor's role in the school is to provide the support and guidance needed to help facilitate success and to address any academic, career, educational, personal and/or social concerns. Counselors are trained to administer and interpret educational and occupational interest tests and surveys and provide individual, group, and crisis counseling. You can contact your child's counselor if you have concerns or questions or call the school's main office to schedule an appointment.

Social Workers: School social work is a specialized area of practice within the field of the social work profession. School social workers bring unique knowledge and skills to the school system and the student services team. School Social Workers are trained mental health professionals who can assist with mental health concerns, behavioral concerns, positive behavioral support, academic, and classroom support, consultation with teachers, parents, and administrators as well as provide wrap around community resource services, attendance interventions and solutions, individual and group counseling. School social workers are instrumental in furthering the mission of the schools which is to provide a setting for teaching, learning, and for the attainment of competence and confidence. School social workers are hired by school districts to enhance the district's ability to meet its academic mission, especially where home, school and community collaboration is the key to achieving student success.

PARENT/LEGAL GUARDIAN CONFERENCES

The first quarter report cards are presented during the parent/legal guardian-teacher conferences. There are also parent/legal guardian-teacher conferences in the third quarter. Additional conferences are suggested whenever the teacher or parent/legal guardian feels communication needs to be facilitated through direct contact.

PARENT PORTAL

The parent portal is a web-based, password-protected website, that not only displays homework and grade information, you can also see immunization information, attendance, and discipline for your student. See our website at www.hazelwoodschools.org for additional information.

PARENT/LEGAL GUARDIAN VISITS

Parents/legal guardians are encouraged to visit the school; however, visits to individual classrooms must be arranged in advance by contacting the teacher to schedule a visit. **FOR THE SAFETY OF OUR STUDENTS, ALL VISITORS MUST REGISTER IN THE SCHOOL OFFICE UPON THEIR ARRIVAL.** Please check out at the office after your visit.

REPORT CARDS AND PROGRESS REPORTS

Report cards are issued four times a year. Mid-quarter progress reports are sent home with students who are demonstrating academic or behavioral concerns. Additional progress reports will be sent as needed. Parents/Guardians are able to view their child's grades in the Parent Portal.

SCHOOL CLOSING DUE TO INCLEMENT WEATHER—953-SNOW

Please tune to area television stations such as KTVI-Channel 2, KMOV-Channel 4, KSDK-Channel 5, and KPLR-Channel 11, for cancellation information; or call the Hazelwood School District Snow Line at 314-953-SNOW. You can also go to the Hazelwood School District website, Facebook page, and Instagram accounts for up-to-the-minute closings. In addition, you will also receive an auto-dial call from the District. Unless absolutely necessary, please do not call the school to find out whether the school is in session. Such calls tie up the phone lines."

If school is closed or there is an early dismissal due to inclement weather or an emergency, there will be no Y-Care (Y-Care based upon yearly student enrollment at the specific school). However, if the early dismissal is within the hour before dismissal 2:50 p.m.- 3:50 p.m., or if only after school and evening activities are canceled, **Y-Care will be open** (If available), and the YMCA will call parents/legal guardians and ask them to pick up their children. This is also explained in the Y-Care parent handbook (if applicable).

INCLEMENT WEATHER INSTRUCTION/ALTERNATE METHODS OF INSTRUCTION (AMI) PLAN

Hazelwood School District has worked through a collaborative process to develop an Alternative Method of Instruction (AMI) plan to be utilized in the event that school is closed due to inclement weather or other emergency circumstances for up to 36 hours of attendance. To be clear, this plan will only be implemented in the event of the aforementioned circumstances.

The goal of the inclement weather instructional plan is to embed learning activities focused on reinforcement of critical learning standards, enrichment activities, or support for further skill development. Consistent practice and exposure to skills without interruption is the most effective way to ensure student understanding and mastery of content knowledge is achieved.

In the event that the district will be using the plan on inclement weather days, alerts will be sent to parents/guardians via email, phone, and text and will be posted on the website and in social media outlets. Teachers will assign students work via Google Classroom on each AMI day. In addition, teachers will be available at designated times throughout the day via Google Meet to provide support and answer questions for students.

During inclement weather days, students are expected to log in to Google Classroom daily and

complete daily work assignments. If unable to log in to Google Classroom for assignments, students are expected to complete hard copies of assignments. Completed assignments should be submitted either electronically or in hard copy on the AMI day or on the next day of attendance. For technology assistance, please email the technology help desk at helpdesk@hazelwoodschoools.org or call at 314-953-5099.

During all instructional days, teachers are expected to be available to students during normal school hours to answer questions and/or assist students individually and in small groups. Teachers should use phone, email, or video conferencing as appropriate to communicate with, instruct, and assist students. Teachers will meet with all of their students using Google Meets daily during the instructional period. Teachers will communicate with parents/guardians assignments and daily schedules for video conferencing. If a parent contacts a teacher outside of school hours, that teacher should reply to the parent via email or phone within 24 hours.

Parents should ensure that their students are logging into their virtual classroom daily during the instructional period. They should also monitor student assignments and the turning in of assignments. Parents/guardians should contact their student's teacher with any questions they may have regarding virtual or hard copy assignments. If parents/guardians are unable to contact the teacher and need immediate assistance, they should contact the building principal.

Parents who have any questions about the inclement weather plan should contact their child's principal.

SCHOOL-TO-HOME COMMUNICATION

The school will periodically send communications containing special announcements and information about school activities through Blackboard, email, and autodials. Log on to the Hazelwood website for up-to-the-minute information about the District. Each school has a homepage on the web. Watch for school and District activities on HSD-TV. Sign up for the Hazelwood School District Newsletter at www.hazelwoodschoools.org

Please check on a regular basis for school announcements and classwork that are sent home.

TELEPHONES AND MESSAGES

The office and classroom telephones are for business use but may be used when permission is given by the office staff and/or teacher. Students are not to use these phones without permission. Parents/legal guardians are asked not to call and leave messages for students except in the case of an emergency.

COMMUNITY SERVICE REQUIREMENT (HIGH SCHOOL)

The Hazelwood School District strives to create concerned and committed students who will make a difference throughout the community and will have a voice in social change. Therefore, **all students attending four years of high school are required to complete 50 hours*** of community service before graduating and being allowed to participate in graduation ceremonies. These hours can be completed during the school year or during school breaks. All community service activities must be pre-approved by the community service coordinator in your building.

*Transfer student hours will be prorated, dependent upon semesters completed at a Hazelwood School District high school.

CURRICULUM, GRADING AND HOMEWORK

The Hazelwood School District curriculum is carefully developed and consistently revised to provide a comprehensive program which will best prepare our students for the world of tomorrow. The core subjects include English language arts, mathematics, science, and social studies. Students also receive instruction in art, music, health, physical education, study skills, library skills, computer applications, and group counseling activities through the Missouri Model Guidance curriculum.

The District aligns curricula, instruction, and assessment of the Missouri Learning Standards. More specific information about District curriculum can be accessed at www.hazelwoodschoools.org

ACADEMIC STANDARDS AND GRADING SCALE

Academic standards and grading policies have been set by the Hazelwood Board of Education in order to maintain the high quality for which our schools are known. Students are expected to perform according to their highest potential and all students are required to demonstrate consistent mastery for each grade level in order to be promoted. Report cards are sent home at the end of each grading period to inform parents/legal guardians of their child's academic progress, effort, conduct, and work habits. Grades in grade levels three through five are assigned according to the following categories on the following page.

RETAKE GRADING PROCEDURES

- All students will be given an opportunity for one attempt per assessment to retake an assessment to improve their percentage. This does not apply to , mid semester, end of quarter, finals and tests that are graded outside the district.
- Any student requesting to retake an assessment must arrange with the teacher and attend help session(s) before, during, or after school for middle/high school or get extra support from the teacher in elementary school. (This will ensure that the necessary support is provided prior to retaking the assessment).
- All assessment retakes must be completed prior to the next assessment. *An Individual Educational Plan (IEP) or 504 plan may supersede this guideline.
- The student’s final grade on that assessment will be the higher of the two grades.

HOMEWORK

Homework is a necessary part of school. Students will be expected to spend time doing homework in addition to attending their scheduled classes to achieve satisfactory progress. Some assignments are long-range in nature and require planned study time for completion. Students are strongly encouraged to develop good study habits. Study buddies in each class are helpful in order to discuss or retrieve missed work when absent. Homework policies are developed in each class or grade level team to promote the success and learning of all students and deter failing grades. Parents/legal guardians are reminded that daily reading is a part of homework.

RATIONALE FOR HOMEWORK PROCEDURES

Homework provides the following:

- The opportunity for independent learning.
- The opportunity for students to develop learning habits that will serve them for the rest of their lives.
- The mindset that learning does not start or end in school, but is a continual life-long process.

THE PURPOSE OF HOMEWORK

- Practice – to help students master specific skills which have been presented in class; Students' speed and accuracy increase with practice.
- Preparation – to help students gain the maximum benefits from future lessons and/or to set learning goals.
- Extension – to provide students with opportunities to transfer specific skills or concepts to new situations through research, comparing items, constructing support for an argument and representing knowledge in graphic organizers.
- Creativity/Application – to require students to integrate many skills and concepts in order to produce original responses.

GENERAL HOMEWORK GUIDELINES

- All students are expected to complete assigned homework to the best of their ability and on time.
- Every homework assignment will be evaluated and returned to students in a timely manner.
- Homework should be directly related to classroom learning and appropriate for the individual student. As such, homework should:
 - not be assigned as a disciplinary measure (District policy)
 - recognize a student's home study time may need to be divided among several subjects and should not be excessive
- When assigning long-term assignments teachers should:
 - schedule an assignment timeline with checkpoints that helps the teacher, parent/legal guardians and student monitor progress
 - provide sufficient and timely feedback to students to allow them to make mid-assignment corrections
- The average (nightly total) suggested time length for specific grade levels are:

● 1 st = 10 min	● 7 th = 70 min
● 2 nd = 20 min	● 8 th = 80 min
● 3 rd = 30 min	● 9 th = 90 min
● 4 th = 40 min	● 10 th = 100 min
● 5 th = 50 min	● 11 th = 110 min
● 6 th = 60 min	● 12 th = 120 min

* It is difficult to regiment the assignment of homework, either in time or in amount.

TEACHER RESPONSIBILITIES

- To provide meaningful assignments that reinforce concepts, stimulate creativity, and develop critical thinking skills or provide the students with an opportunity to extend their knowledge of the subject. These assignments should increase in difficulty as a student's grade and skill level increases.
- To regularly evaluate homework practices. This should take place as a natural consequence of the assessing, evaluating, and lesson-planning process.
- Make every effort to ensure that homework assignments are defined and clearly understood by students at the time of the assignment.
- Confer with parents/legal guardians regarding homework concerns when they arise.
- Have appropriate assignments available for completion for students who were absent.
- Maintain accurate records for parents/legal guardians to access via the Parent Portal.
- Give credit for homework appropriate to the assignment made and to give students opportunities to re-do (display proficiency) the assigned work.
- Work as a staff to develop procedures to ensure homework assignments are coordinated across disciplines.

PARENT/LEGAL GUARDIAN RESPONSIBILITIES

- Take an active interest in your child's progress and activities in school.
- Contact the teacher, counselor, or school administrator if problems develop regarding concerns at the school, including but not limited to: homework, student progress, student social emotional concerns, or other school related issues.
- Provide a suitable, well-lit, and quiet place with appropriate materials for your child to study.
- Help the student manage time for homework, as well as chores, hobbies, school activities, jobs, and recreation.
- Encourage your child to ask questions and request assistance of the teacher if he or she does not clearly understand an assignment or lesson.
- Offer guidance and suggestions, but resist the temptation to work the problem, write the composition, or do the research for the student.
- Acknowledge responsible homework habits and efforts with praise.
- Contact the school and/or the teachers for makeup assignments when applicable.
- Contact the school/teachers and check Google Classroom for makeup assignments when applicable.

STUDENT RESPONSIBILITIES

- All students are expected to complete assigned homework to the best of their ability and on time.
- Understand the homework assignment(s) before leaving school.
- Take home all the necessary materials to complete the assignment(s).
- Schedule time free of distractions and compatible with family and/or after-school activities.
- Complete the homework on time and to the best of your ability each and every time. Talk with the teacher(s) regarding homework concerns.
- Contact the school and/or the teachers for makeup assignments when applicable.
- Manage time for homework, as well as chores, hobbies, school activities, jobs, and recreation.

- Responsible for getting the missing homework from the teacher.

LATE HOMEWORK GUIDELINES

- Students who have missed work due to an “excused” absence will be given the same number of days to return completed work as days they were absent. For example, if a student is absent 5 school days, then the student will have 5 school days to get the assignments turned in. Additional time may be granted at the teacher’s discretion.
- It is the student’s responsibility to get the missing homework from the teacher.

DRESS CODE

Students must come to school dressed in appropriate attire every day. Students’ grooming is expected to be neat, clean and in good taste so that each student may share in promoting a positive, healthy and safe atmosphere.

Students should respond appropriately to any reasonable staff request involving the dress code. When, in the judgment of the administrator, a student’s appearance or mode of dress disrupts the educational process, or constitutes a threat to health or safety, the student may be required to make modifications. Please refer to the Student-Parent Handbook/Behavior Guide for more specific information on the dress code and disciplinary actions. Schools that have a 51% majority of parents wanting uniforms will be designated as a uniform school. A parent may opt out of the uniforms at any point.

EMERGENCY CLOSINGS AND EARLY DISMISSAL

EARLY DISMISSAL DUE TO AN EMERGENCY

Occasionally, early dismissal of students will occur. Be sure to have plans made for the care of your child should school be dismissed earlier than usual. This includes safe transportation from school for students who do not ride a bus. Early dismissal cancels all night activities, including practices.

If school is closed or there is an early dismissal due to inclement weather or an emergency, there will be no Y-Care. However, if the early dismissal is within the hour before dismissal 2:50 p.m.- 3:50 p.m. or if after school or evening activities are canceled, **Y-Care will be open**, and the YMCA will call parents/legal guardians and ask them to pick up their children. This is also explained in the Y-Care parent handbook.

EMERGENCY COMMUNICATIONS

In case of early closing of school due to bad weather or other natural disasters, or in case of emergency related to your child, please be sure to list three additional emergency contact names and phone numbers. Notify the school office if any of the numbers change.

EMERGENCY DRILLS

Every school in the Hazelwood School District must conduct emergency drills for severe weather, earthquake, fire, bomb threats and intruders. Each school has an individualized emergency plan.

FIELD TRIPS

Students may be provided with opportunities to participate in field trips throughout the year. It is the student's responsibility to return the written permission slip and fees by the designated date. Failure to return the necessary paperwork and fees may result in the student not participating in the activity. Attendance at school on the day of a field trip is expected even if the student chooses not to participate or is not allowed to participate in the field trip. Meaningful activities will be provided in lieu of the field trip attendance. Students are responsible for all work missed due to participation on a field trip. Students and families should contact the school office for assistance regarding field trips.

SCHOOL COUNSELING SERVICES

School counseling services such as assistance with educational planning, interpretation of test scores, career information, academic assistance, and help with home and/or social concerns are available to all students in the Hazelwood School District. Counselors also have access to information on community services that provide assistance and conduct support groups on an as-needed basis. Counselors will help mediate student conflicts and work with students in the classroom setting to provide information on issues that students face on a daily basis. Students who would like school counseling services may make an appointment to visit with their counselor by following their school's procedure or by having their parents/legal guardians call the school. Hazelwood School District schools also have a social worker available who collaborates with school staff to assist with various student and family matters.

HALL PASSES

Students are not permitted in the halls during class periods unless accompanied by a teacher or in possession of a hall pass from a teacher or staff member. Students must have a pass to see a teacher, counselor, principal, nurse, or to use the telephone.

HARASSMENT

Harassment is defined as abusive behavior based upon race, ethnicity, nationality, immigration status, religion, sexual orientation, gender identity or ability that creates a hostile environment. This includes gestures, verbal comments, pictorial or written statements, or threats. Any comments that could be construed as harassment will be taken seriously. All students are expected to treat one another with courtesy, dignity, and respect. No students are to be subjected to any form of harassment. Any student who believes they need help in stopping any type of harassment shall verbally report the incident to any staff member with whom the student feels comfortable discussing the incident, or may write and submit the complaint on a Student Statement Form. If a thorough investigation reveals that harassment has occurred, prompt consequences will be assessed that match the severity of the occurrence.

Repeated incidents of harassment will result in increasingly serious consequences to the offender in accordance with our Student-Parent Handbook/Behavior Guide. If a parent/legal guardian is aware of harassment at school, they should call their child's teacher, counselor, school administrator, or the Safe Schools Hotline at 889-SAFE (7233).

HEALTH AND SAFETY

Your children benefit from the professional services of a registered nurse if they become ill or injured. Our nurses are in the schools full time. You will receive the nurse's office numbers from the school office.

COMMUNICABLE DISEASES

If your child contracts a communicable disease and has to stay at home for an extended period of time, each teacher will make arrangements for make-up work. If you are not sure when your child should be sent back to school, call the school nurse or your physician.

CRITERIA FOR EXCLUSION FROM SCHOOL (CONTROL OF COMMUNICABLE DISEASE)

Children are sent home for the following reasons:

1. Temperature of 100 degrees F or above
2. Vomiting due to illness
3. Diarrhea
4. Undiagnosed rash, untreated ringworm, or scabies
5. Suspected eye infection
6. Suspected contagious disease

Children may return to school as follows:

1. Temperature below 100 degrees F for 24 hours without medication (e.g., Tylenol, Motrin, etc.)
2. Rash: absence of symptoms, and/or note from the doctor stating that the student is not contagious or that treatment has been started.
3. Vomiting or diarrhea: following a regular diet for 24 hours, the child has no further episodes.
4. Signs of discolored eye drainage and discomfort: absence of symptoms and treatment with antibiotic drops or ointment for 24 hours, or medical documentation stating the child is not contagious.
5. A child with active head lice who most likely has had it for a month or more poses little risk to others and will remain in class until the end of the day, but is discouraged from close, direct contact with others. If there are complications or other health problems resulting from lice, the school nurse will use their professional judgment to determine whether the child will remain in school for the remainder of the day. The child's age and development will determine whether the child can refrain from direct contact with others (as in the preschool and early elementary years). The child may be allowed to return after treatment. The school nurse will check the child before reentering the classroom and again between 9-12 days after treatment, if requested by the parent.
6. Ringworm - The child may return after 24 hours of treatment and be covered with clothes or a band-aid until healed.

EMERGENCY MEDICATION

Written standing orders from the District's consulting physician will be obtained annually for the administration of emergency medication. All student-occupied buildings in this district are equipped with prefilled epinephrine auto syringes, naloxone nasal spray, and albuterol sulfate inhalation solution that can be administered by the school nurse or other school employee trained and supervised by the nurse when the nurse or trained employee believes, based on their training, that a student is having a life-threatening anaphylactic reaction, opioid overdose, or an asthma episode. Parents/legal guardians are to notify the school nurse or principal if their student cannot receive albuterol, naloxone, or epinephrine.

EXCUSES FROM PHYSICAL EDUCATION OR OUTDOOR ACTIVITY

Students may be excused from going outside or from physical education classes for a maximum of two days upon receipt of a note from a parent or legal guardian. This note must state the reason for the excuse; specify the dates the child should be excused and must be approved by the principal. An extension of time to be excused for a specific illness may be granted upon receipt of a signed statement from a doctor stating that: (a) the child should be excused from outdoor activity and/or physical education, and (b) the duration of time for which the excuse applies.

HOME TEACHING FOR LONG-TERM ILLNESS

If your child must be out of school for a prolonged period, contact the principal as soon as possible so that it can be determined whether your child qualifies for services which would bring a teacher to your home or to the hospital.

ILLNESS OR INJURY

In the event of illness or injury, a child will be temporarily cared for by the school nurse or an authorized member of the school staff. School personnel will provide initial first-aid treatment.

If a student experiences a medical emergency, such as severe injury, allergic reaction (anaphylaxis), or breathing difficulties, staff will call 911 immediately and attempt to contact parents or guardians. For urgent, non-life-threatening situations, the school nurse or office staff will provide care and notify guardians, who are expected to pick up their child. If emergency medical treatment is necessary, the parents/legal guardians will be contacted. Remember that an emergency telephone number for the student's doctor must be on file at the school.

If a child is feeling unwell, running a fever, vomiting, or has diarrhea during the evening or in the morning before school, they should not come to school that day.

IMMUNIZATIONS

Proof of immunization must be submitted to the school nurse. The nurse may accept documentation from a physician if it is written on official letterhead and includes the month, day, and year each vaccine was administered.

Students must be immunized against the following diseases:

Diphtheria

Tetanus

Pertussis

Polio

Measles

Mumps

Rubella

Hepatitis B

Varicella (chickenpox)

Additional grade-level requirements apply:

Eighth grade: One dose of the Tdap vaccine and one dose of the meningococcal (meningitis) vaccine are required.

Twelfth grade: Two doses of the meningococcal (meningitis) vaccine are required.

Students who are not fully immunized or who do not have approved exemption documentation on file will not be permitted to attend classes.

There have been recent announcements regarding updates to the U.S. Centers for Disease Control and Prevention (CDC) Advisory Committee on Immunization Practices (ACIP) Childhood Immunization Recommendations, which may have caused some confusion. To clarify: Missouri school immunization requirements have NOT changed. Missouri school immunization requirements are established by Missouri regulations, and those regulations remain unchanged at this time. The CDC/ACIP provided recommendations, but they do not set or require school immunization mandates.

For school-age children, schools should continue to follow Missouri immunization requirements, found at <https://health.mo.gov/living/wellness/immunizations/schoolrequirements.php>.

For preschool children, the requirements can be found at <https://health.mo.gov/living/wellness/immunizations/daycarerequirements.php>.

Immunization resources can be found on the district website.

MEDICAL INFORMATION

Your child's school must have current medical and emergency contact information on file for each student. The front office should have phone numbers for a parent or guardian to reach in case of illness or emergency. An additional emergency contact must also be listed—someone who is available to pick up your child if a parent or guardian cannot be reached. Please update your child's emergency information promptly whenever there are changes to names, phone numbers, or contact availability.

MENTAL HEALTH EVALUATIONS AND THERAPEUTIC COUNSELING SERVICES

Students may at times require counseling to work through various emotional issues. If outside counseling is needed, please contact your school counselor/social worker for a referral to the following agencies:

- Safe Connections (9-12)
- Lutheran Family and Children's Services (K-12)
- Children's Foundation of Mid-America (K-12)
- Children's Home Society through the Special School District (K-12)
- DePaul SSM Behavioral Health Services (K-12)
- National Alliance on Mental Illness (K-12)
- Cornerstones of Care (K-12)
- Youth in Need (K-12)
- BJC Behavioral Health (K-12)

PHYSICAL EXAMINATION

It is recommended that every child attending the Hazelwood School District should have a complete physical examination at the beginning of the school year in kindergarten, grades 4, 7 and 10. It is also recommended that students new to the school system should have a complete physical examination regardless of grade level. Forms for this purpose are available from the school nurse or on the Health Services page on the District's website.

PROCEDURES FOR ADMINISTERING MEDICATION FOR STUDENTS REQUIRING MEDICINE AT SCHOOL

Hazelwood School District Policy JHCD allows for the administration of medication to students who require it during the school day in order to remain in school and fully participate in their education. The following procedures must be followed to provide this service to students. The District will accept the prescription label as equivalent to a physician's or prescriber's written order for medication administration. A completed parent or legal guardian permission form is also required.

Written medication directions must include:

Student's name

Name of the medication

Dosage

Frequency of administration

Time the medication is to be given at school

Reason for the medication

Possible side effects

Termination date for administering the medication

Medication permission forms are available in the school clinic and on the Health Services page on the District website.

For medication delivery and authorization:

Forms

* Medication permission forms are available in the school clinic and on the District Health Services webpage.

* A completed parent/legal guardian permission form is required for all medications.

ID POLICY (MIDDLE AND HIGH SCHOOL ONLY)

All students must wear their school-issued ID during school hours. Student IDs must be worn on the school-issued lanyard around the neck during school hours. The IDs must be worn in the front and must be visible at all times. Students will not deface their IDs (write on ID, put stickers on ID, etc.). Student IDs are required for district sponsored events. Students must present their ID to any school district employee when requested.

IF THERE IS AN ISSUE AT SCHOOL

The Hazelwood School District is committed to the success of every student. It is well understood the best results are achieved when the home and school work in partnership with one another. Although steps are taken to ensure that each student has a positive school experience, issues will sometimes occur. To ensure that issues are handled promptly and effectively, the District has prepared guidelines for seeking solutions to issues:

1. Speak first with the teacher if the issue is related to the classroom.
2. You may contact the assistant principal if you wish to receive assistance in solving issues that are not resolved after talking with the teacher.
3. You may contact the principal if you wish to receive assistance in solving issues that are not resolved after talking with the assistant principal or if they involve a function of the school. Questions related to the Special School District will be directed to the area coordinator.

4. You may contact an assistant superintendent if you wish to receive assistance in solving issues that are not resolved after talking with the principal. Other issues or questions concerning the school district should be directed to the appropriate Central Office Administrator.
5. You may contact the deputy superintendent to receive assistance in solving issues not resolved after talking to the assistant superintendent.
6. You may contact the superintendent (in writing) if you wish to receive assistance in solving issues that are not resolved after talking with the deputy superintendent.

INTERNET USE

The Internet is available for research use. We will follow the Acceptable Use Policy of the Hazelwood School District. The library and classrooms will have internet access through the Internet. Students will not be allowed to create, send or receive an e-mail at school unless the assignment is part of an approved instructional project. An Internet privilege may be revoked due to inappropriate use of access privileges. Any student on an inappropriate site may be subject to disciplinary action. "Students specifically agree not to submit, publish, or display any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material, nor shall a member encourage the use of controlled substances." Students may not post, print, or download any files without the consent of the supervising teacher. Doing so may result in loss of Internet privileges. Any student having difficulties with accessing sites for educational purposes should contact the teacher. Student's email will be restricted.

LEAVING CAMPUS

Students are not allowed to leave campus unless written (note or email) or verbal permission from parent(s)/legal guardian(s) has been given and approved in the office. Students wanting or needing to walk home must have written (note or email) or verbal permission from the parent(s)/legal guardian(s) for the student to walk home.

Bus transportation is provided on early dismissal days, but students will be allowed to walk if they have written (note or email) or verbal permission from the parent(s)/legal guardian(s) on file in the office prior to the day of early dismissal. If further clarification is needed, please contact the building administration.

LIBRARY PROCEDURES

The school library contains hardback and paperback titles for use by our students and faculty. The library is open during regular school hours for student use and is used on a regular basis by classes doing research and/or check-out. The purpose of the school library is to provide educational resources for the student population. A library is also a place for relaxation and reading enjoyment, as well as a place for quiet study and research. In order to maintain this atmosphere, appropriate library behavior is expected.

LOCKERS

Each student in the middle and high school will be issued their own hallway locker and lock at the beginning of the school year. Personal locks may not be used on hallway lockers. All lockers are the property of the Hazelwood School District and may be entered at the discretion of the administration.

- Lockers MUST be locked at all times. Leaving a locker set on a number makes it accessible to other students.
- Locker combinations MUST NOT be shared or exchanged with others.
- Students who change lockers without permission from the office, or use another student's locker, will be subject to disciplinary action.
- Students are responsible for all items kept in their locker.

Since a locker is the property of the school, it may be inspected. Students must use only the locker that is assigned to them. To assure that the equipment in our building is treated with care, stickers or taped items may not be used on or inside lockers. The size of our lockers requires that they house only required school supplies, books, and coats. If a lock is lost, a new lock will be issued at a replacement fee.

MOCAP IN HAZELWOOD SCHOOL DISTRICT

Beginning in January 2019, any student in kindergarten through 12th grade enrolled in the Hazelwood School District who was also enrolled as a full-time student the previous semester can opt to take a course virtually through the District-preferred provider, Launch, or through the Missouri Course Access Program (MOCAP) organized through Missouri's Department of Elementary and Secondary Education (DESE). To learn more, visit the Curriculum and Instruction Department page on the district website.

PARKING PROCEDURES (HIGH SCHOOL)

Parking is reserved for faculty, staff, parents/legal guardians, and visitors. Only students who have an office- issued parking pass that is displayed properly may park on campus. Students should park in designated areas.

In order for everyone to be safe during school hours, drivers are requested to please observe all posted traffic speeds, signs for dropping off and picking up and to use common courtesy when driving on school premises. Please observe all school security officers, HSD security team, and postings on the school campus.

PARTY SNACKS/TREATS (ELEMENTARY SCHOOL)

Hazelwood School District follows the recommendations of the St. Louis County Department of Health and the Advanced Missouri Eat Smart Guidelines with regards to party treats. Food prepared in private homes is not permitted. The District has a new program for treats for classroom birthday parties. Parents or legal guardians who wish to plan a birthday for their child at school are encouraged to complete an order form from the Child Nutrition Department. There is a fee associated with ordering party treats/snacks from the Child Nutrition Department.

Available treats meet the Eat Smart Advanced Guidelines adopted by the District. While efforts are made to avoid known classroom allergens, it is not possible to guarantee an allergen-free environment. Any treats brought from outside for classroom birthday parties must be pre-packaged and meet the Eat Smart Guidelines. To promote safety and inclusivity, families are strongly encouraged to provide non-edible birthday treats (such as pencils, stickers, bubbles, or a donated classroom book) instead of food items. Teachers and school staff are not responsible for verifying food safety or the absence of allergens.

Napkins, plates, utensils, and treats will be delivered to the student and classmates during their lunch period. Early childhood students will have their treats delivered to the classroom.

If you have questions about the classroom birthday party program, contact the Hazelwood School District Child Nutrition Department at (314) 953-5990 or contact your child's school cafeteria.

Typically, there are two classroom parties a year. Each school principal and staff will decide which parties are appropriate for their school. The Advanced Missouri Eat Smart Guidelines require food that meets certain health guidelines. Therefore, cupcakes and candy are not allowed. Go to the District website to view the Eat Smart Guidelines.

RESIDENCY

The Hazelwood School District encourages all eligible students to enroll in the district. In order to enroll a student in the Hazelwood School District, a student, the parent, legal guardian, military guardian, person acting as a parent or the student must provide proof of legal residency in the district or request a waiver of proof of residency and must complete all admission requirements as determined by Board policies, regulations and procedures. Students whose parents/guardians are being relocated to Missouri under military orders and who are registering

remotely are required to provide proof of residency within ten days of the student's actual attendance in the district.

Students who do not provide proof of residency in the district will be admitted without payment of tuition only as permitted in this policy or required by law. This district does not allow nonresident students to enroll in and attend this district upon payment of tuition unless otherwise required by law.

A student is a "resident" student if he or she meets at least one of the following criteria:

1. The student physically resides and is domiciled in the district. The domicile of a minor child shall be the domicile of a parent, military guardian pursuant to a military-issued guardianship or court-appointed legal guardian. A "power of attorney" document alone, with the exception of a special power of attorney document relevant to the guardianship of a child in the household of an active-duty member of the military, is insufficient to satisfy the "court-appointed legal guardian" requirement.
2. The student physically resides in the district for reasons other than obtaining access to the district's schools, regardless of with whom the student is living, and has a waiver of proof of residency on file.
3. The student will soon physically reside in the district due to relocation to Missouri of one or both of the student's parents/guardians under military orders.

Students who do not meet the requirements to be a resident student of the district, as defined in Board policies and law, will be considered nonresidents and require a waiver of residency unless otherwise legally entitled to attend the district.

The Office of Residency will investigate any information the district receives indicating that a student is not a resident of the district or not otherwise entitled to attend the district in accordance with law or this policy as well as conduct routine residency verifications to ensure uninterrupted attendance. If the investigation findings conclude that the student is not a resident of the district and is not otherwise entitled to enroll in and attend the district in accordance with law and the district's policy, the district will notify the student's parents/guardians, ask them to withdraw the student by a specific date, and offer the parents/guardians a hearing. If the parents/guardians do not request a hearing by the specified deadline and do not withdraw the student, the district will formally remove the student from its rolls and notify the parents/guardians that the student may no longer attend school in the district.

It is a crime to provide the district false information regarding residency. The Board authorizes the superintendent or designee to make a criminal complaint and pursue civil recourse against any person who fraudulently asserts or attempts to fraudulently assert residency in the district.

If you suspect someone is in violation of the residency requirement, please report this to the Residency Office at 314-953-5041.

Earthquakes in Missouri

The highest earthquake risk in the United States outside the West Coast is in the **New Madrid Seismic Zone**, centered in southeast Missouri's Bootheel. Damaging earthquakes are not as frequent as in California, but when they do occur, the destruction here can cover an area more than 20 times greater than a similar event there due to the nature of geologic materials in the region. A major earthquake could mean catastrophic damage in the St. Louis and southeast regions of the state, and significant damage throughout Missouri.

The New Madrid Seismic Zone and surrounding area in the central U.S. averages more than 200 earthquakes per year. Most can't be felt, but a few can cause measurable damage.

Experts say there's a **25 to 40 percent chance for a major earthquake** in a 50 year period. The result could be major damage from St. Louis to Memphis. The last major earthquake in the New Madrid Seismic Zone was centered in southeast Missouri, near the town of Charleston, in 1895.

The Great New Madrid Earthquakes of 1811-12 were the largest in U.S. history east of the Rocky Mountains. The massive quakes destroyed homes, created lakes and briefly reversed the flow of the Mississippi River. Shaking was felt as far away as the east coast.

To help your family survive an earthquake, know what to do BEFORE, DURING, and AFTER a major quake strikes.

BEFORE:

- ✓ Put together an emergency kit – flashlight, first aid kit, radio, drinking water, blankets
- ✓ Develop a family communication plan – identify a relative living at least 100 miles away that everyone can call to “check in” with to tell family you’re safe
- ✓ Make sure all heavy or breakable items are on lower shelves
- ✓ Know how to turn off utilities

DURING:

- ✓ DROP to the ground
- ✓ COVER yourself under a sturdy table or desk, and cover your face and head with your arms
- ✓ HOLD ON to something sturdy until the shaking stops
- ✓ If you’re driving, pull off the road, away from buildings and utility poles, and stay in your car
- ✓ If you’re outside, drop to the ground, away from large objects, and cover your face and head with your arms

AFTER:

- ✓ Find your family; check for injuries
- ✓ If necessary, call 911 for help
- ✓ If you smell gas or hear a hissing sound, go outside – shut off gas valve
- ✓ Be careful to avoid live power lines and broken glass
- ✓ Listen to news for latest emergency information
- ✓ Be ready for aftershocks

<p>HAZELWOOD SCHOOL DISTRICT INTERNET ACCEPTABLE USE POLICY Parent/Guardian and Student-Please Read Carefully</p>
--

The Mission of the Hazelwood School District Network (HSDNet) is to support excellence in education in and among academic institutions in the United States by providing access to unique resources and the opportunity for collaborative work. Students and staff will use HSDNet to locate information, communicate with other individuals, participate in distance learning activities, and locate materials to meet their information needs. HSD provides Internet access to teachers and students and connects computers in all district building to each other and the world.

Internet use by students will be monitored by teachers and staff who have been trained through Hazelwood School District staff development workshops on the appropriate use of the Internet. They are members of the HSDNet. Students will be instructed regarding laws, District rules and Network/Internet etiquette before beginning classroom assignments. Students will learn the fastest and easiest methods for locating appropriate and educationally valuable Internet information (and how to avoid inaccurate and inappropriate data). Special screening programs are being used by the Hazelwood School District to assist in the protection of students from inappropriate information. The information available on HSDNet is similar to computer software, books, videos and other audiovisual resources and is subject to review by existing board approved Instructional Materials Center policy. Hazelwood School District and the system administrators do not condone the use of inappropriate materials and do not permit usage of such items in the school environment. The Hazelwood School District firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of the district.

HSDNet is an associate member of MOREnet (Missouri Research and Education Network) and is connected via a dedicated link at the University of Missouri-St. Louis. A connection to the national Service Foundation (NSFNET) Internet backbone is made via the University of Missouri-Columbia. Because HSDNet provides through connection to MORENet and NSFNET, access to other computer systems around the world, parent or legal guardians must specifically understand that the system administrators and the Hazelwood School District do not have total control of the content of information residing on these other systems. Parents or legal guardians are advised that some systems may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive or illegal material that would be considered inappropriate for students to intentionally access. (NOTE: Home use of the Internet or e-mail, at this time, is not in any way connected to or the responsibility of the Hazelwood School District or HSDNet.)

Students, teachers and staff knowingly violating any laws or the Hazelwood School District rules related to Internet use in the school environment will be dealt with according to the discipline policies of the Hazelwood School District, and such activities may result in the termination of their privilege to use the HSDNet system.

INTRODUCTION

The Board of Education recognizes that acceptable behavior is essential to the development of responsible and self-disciplined citizens and in promoting an effective instructional program in the District's schools. Acceptable behavior is based on respect for one's self, and for the worth and human dignity of others. The development of such behavior in students is a dual function of the home and school.

The behavior of students should reflect the high standards of good citizenship required in a democracy. To foster good conduct and to provide for safe and orderly schools, the Board of Education has adopted these guidelines for student behavior (**Policy ACIA**). When the guidelines are not met, it is our goal to provide appropriate interventions for the education of students to prevent repeated infractions. The guidelines apply to all students, although special procedures must be followed in regard to disciplining students with disabilities.

The Student Behavior Guide is based on the premise that expectations must be enforced fairly, firmly and consistently in a manner that is legal, equitable and just. Students are under the supervision of the school while on their way to and from school, bus stops, on the bus, on any district campus or in any district building, while attending or participating in any school function either at the home school or away and while participating in field trips or other school-sponsored activities.

Professional judgment, utilizing an equitable lens that aligns to [Policy ACIA - Racial Equity](#), will be used by administrators to determine the consequences of specific incidents. Most types of school discipline issues are listed in this guide. **However, it is impossible to list every issue that might interfere with the smooth operations of the school. Administrators have the responsibility and authority to deal with all issues even though the specific issues might not be listed in this guide.**

The Student Behavior Guide is distributed to all parents/legal guardians in August or upon enrollment. It is intended for parents/legal guardians to review this information with their children. In addition, a copy of the Student Behavior Guide is reviewed with students at the beginning of each trimester.

All employees of the District annually receive instruction related to the application of:

1. the Student Behavior Guide;
2. disciplining students with disabilities; and
3. instruction in the necessity and requirements for confidentiality.

DISCIPLINE REPORTING AND RECORDS

In compliance with state law, the Board of Education establishes explicit channels of communication between teachers, administrators, law enforcement officials and other schools concerning acts of violence and other behaviors that endanger the welfare or safety of students, staff, and patrons of the district. The purpose of this policy is to designate specific actions committed by students that must be reported to teachers, administrators and/or law enforcement officials as well as those actions that must be documented in a student's discipline record.

CONFIDENTIALITY (POLICY JGF)

Any information received by a school district employee relating to the conduct of a student shall be received in confidence and used for the limited purpose of assuring that good order and discipline is maintained in the schools.

OFF-CAMPUS BEHAVIOR

Behavior that occurs off campus that disrupts the academic process or threatens the safety of students and/or staff may be addressed as if the behavior occurred on campus.

REPORTING TO SCHOOL STAFF (POLICY JGF)

School administrators shall report acts of school violence to all teachers at the attendance areas in which the involved students are educated and to other school district employees with a need to know the information to adequately supervise the students and to protect themselves or others. In addition, any portion of a student's individualized education program (IEP) that is related to demonstrated or potentially violent behavior shall be provided to any teachers and other district employees with a need to know the information.

The superintendent or designee will inform district employees with a need to know of any act committed or allegedly committed by a student in the district that is reported to the district by a juvenile officer or an employee of the Children's Division (CD) of the Department of Social Services, sheriff, chief of police or other appropriate law enforcement authority in accordance with state law. Such reports shall not be used as the sole basis for denying educational services to a student.

REPORTING TO LAW ENFORCEMENT OFFICIALS (POLICY JGF)

Any crime listed in this section or any act that if committed by an adult would be a crime listed in this section that is committed on school property, on any school transportation or at any school activity must be reported immediately by the appropriate school administrator to the appropriate law enforcement agency. The following acts are subject to this reporting requirement:

This section does not apply to a student with a disability who is convicted or adjudicated guilty as a result of an action related to the student's disability. The District may, at the Superintendent or designee's discretion, provide an alternative education program if they determine such enrollment is appropriate.

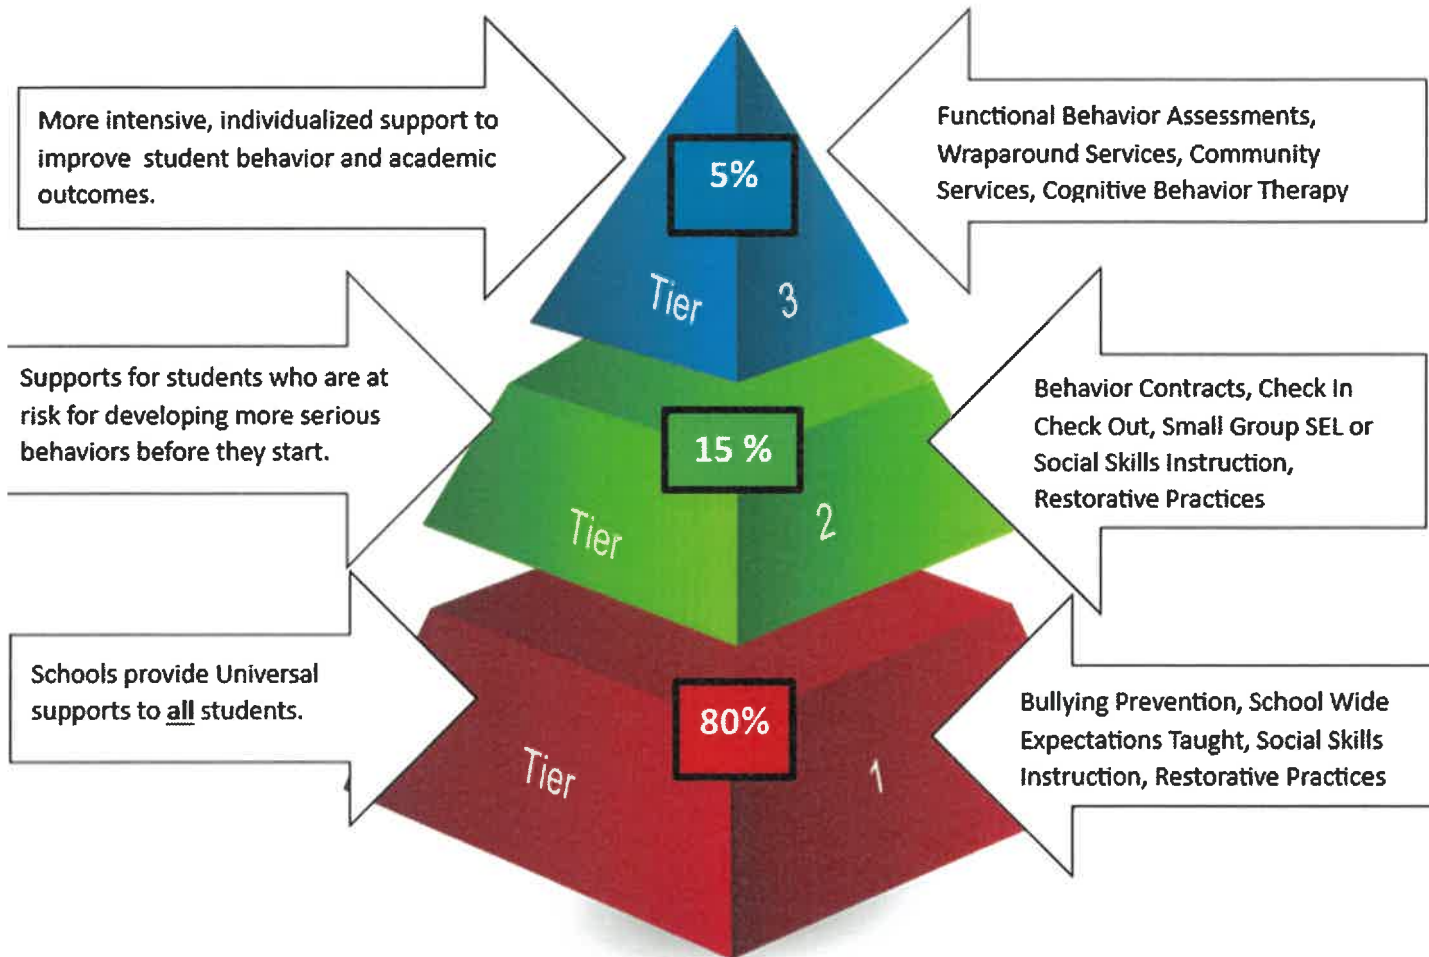

STUDENT DISCIPLINE RECORDS (POLICY JGF)

The Board of Education directs the superintendent or designee to compile and maintain records of any serious violation of the district's discipline policy for each student enrolled in the District. Such records shall be made available to teachers and other school district employees with a need to know, and shall be provided in accordance with state law to any District in which the student subsequently attempts to enroll within five (5) business days of receiving the request. Personally, identifiable student records will only be released or destroyed in accordance with state and federal law.

STUDENTS RECEIVING SPECIAL EDUCATION SERVICES (POLICY JGE)

Students currently receiving special education services will be disciplined in the same manner as other members of the student body except as noted on the student's Individual Education Program (IEP). For those students who are receiving services from the Special School District ("SSD"), a discipline hearing will be held first, followed by a Manifestation Determination meeting, scheduled and facilitated by SSD, to determine whether or not the violation is related to the student's disability. Prior to the Manifestation Determination, the hearing officer will submit a detailed report of the hearing to the appropriate assistant superintendent and the superintendent, who will then decide if any further disciplinary action will be taken. That decision could include the possibility of suspension for up to 180 school days or recommendation to the Board of Education for expulsion. Should it be determined the behavior was a manifestation of the student's disability, all education and placement decisions will be made by the student's IEP team.

Positive Behavioral Interventions and Supports (PBIS) Prevention and Intervention Within the Multi-Tiered Systems of Support Framework (MTSS)

ACADEMIC BEHAVIORAL SOCIAL

STUDENT BEHAVIORAL EXPECTATIONS

Every student, early childhood through twelfth grade, has the right to be educated in a safe, respectful and welcoming environment. Every educator has the right to teach in an atmosphere free from disruption and obstacles that impede learning. The school environment is characterized by positive interpersonal relationships among students and between students and staff. To that end, the District has adopted and implemented a schoolwide Positive Behavioral Interventions and Supports (PBIS) program within the MTSS framework.

PBIS is based on research that indicates that the most effective discipline systems use proactive strategies designed to prevent discipline problems. Before consequences are given, students must first be supported in learning the skills necessary to enhance a positive school climate and avoid negative behavior. This research also shows that there is a strong link between a positive school climate and academic success for all students when students clearly understand behavioral expectations.

Each school will develop and annually revise a PBIS Plan that will include teaching positive school rules; implementing a social-emotional skills development and enhancement program; positively reinforcing appropriate student behavior; using effective classroom management; providing early intervention and support strategies for misconduct; and appropriate use of logical and meaningful consequences including the use of restorative practices.

In conjunction with a school's PBIS Plan, the Hazelwood School District's Student Behavioral Expectations provide additional guidance to students, parent/legal guardians, teachers and administrators regarding appropriate behavior. It is only with the understanding, collaboration, and cooperation of everyone who has a stake in the education of our youth that we can succeed in creating learning environments that are conducive to optimum academic achievement for all students.

RIGHTS AND RESPONSIBILITIES OF STUDENTS, PARENTS/LEGAL GUARDIAN AND SCHOOL STAFF

STUDENTS' RIGHTS

The educational community is a part of a triad of stakeholders striving to ensure quality education for our children. Each stakeholder (students, staff, and parents/legal guardians) is equally important to meet this challenge. It is impossible to list all the rights and responsibilities of stakeholders. The rights and responsibilities apply to all students, although special procedures must be followed in regard to disciplining students with disabilities. This includes bus stops, on the bus, on any District campus or in any District building, while attending or participating in any school function either at the home school or away, and while participating in field trips or other school-sponsored activities.

Behavior that occurs off campus that disrupts the academic process or threatens the safety of students and/or staff may be addressed as if the behavior occurred on campus.

DISCIPLINE PROCEDURES AND DUE PROCESS

When a student is suspected of behaviors that are violations of the Student Behavior Guide, the following process will be initiated:

- An investigation will be initiated to discover all pertinent factors relating to the occurrence. The investigation process will include the collection of information from the student(s) involved, school staff and as many witnesses to the occurrence as possible. The principal or their designee will conduct this investigation.
- The student shall be advised of the specific behavior infraction and explanation of the known facts.
- The student shall be given the opportunity to admit or deny the behavior infraction and to present their version of the incident.
- If the student denies the behavior infraction, the student shall be provided an explanation of the incident that forms the basis of the proposed disciplinary action. In such cases, the administration will get statements from as many witnesses to the occurrence as possible. Administrators will assist students with

difficulties in providing statements, including concerns in writing.

- The student and their parent/legal guardian will be informed of the specific violation and an explanation of the known facts.
- After the investigation has been concluded, the parents/legal guardians will be informed by telephone, letter, email or note prior to the date the student is expected to serve the consequence. At this time, the parent/legal guardian will also be notified if the school is recommending a discipline hearing.
- The student and their parent/legal guardian can access the student's disciplinary event and full disciplinary record through the SIS parent portal. They may also request a copy of the student's disciplinary record from the school.
- When deemed necessary, a principal may delay/alter your child's schedule without parental consent.
- A student may be removed from school immediately at the discretion of the principal, assistant superintendent, or superintendent if the student poses a threat of harm to other students or staff.

The hearing officer will determine if additional days of suspension are warranted.
- If the parent/legal guardian has questions regarding a decision or the appeal process of a suspension of more than 10 days, they may contact the hearing officer.
- Additional due process measures shall be taken as required by law with respect to students with disabilities.
- Parents/legal guardians shall be required to participate in a conference with teachers and/or administrator or administrator's designee prior to a student's return to school following a suspension.

EXPLANATION OF TERMS

Parents/legal guardians, students, teachers and Hazelwood School District staff members (including teachers, administrators and other staff) have the right to expect that schools will provide an atmosphere that is safe, cooperative, respectful and, therefore, conducive to learning. Board of Education Policies are located on our website at www.hazelwoodschoools.org.

In this document, the assignment of detention will be either before or after school for elementary students. The assignment of detention will be either after school or on Saturday mornings for middle and high school students. The assignment of a suspension could be “in-school” or “out-of-school” except where specified. All references to the number of suspension days in the Student Behavior Guide will specifically be school days. For example: (a 10-day suspension means 10 school days, not calendar days.) NOTE: Students are not to be on any district campus or attend any district-sponsored event while on suspension.

When the Behavior Guide refers to the number of occurrences, the District considers the number of occurrences that happen in the same school year. (For example, if a student was in a fight in 6th grade and again in 8th grade, the second fight would be a first occurrence of the student’s 8th- grade year). It should be noted that repeated discipline infractions within a school year would result in more severe disciplinary action being taken when appropriate. This might include a suspension, discipline hearing (parent/legal guardian notification) or expulsion.

ACT OF SCHOOL VIOLENCE/VIOLENT BEHAVIOR

Act of school violence or violent behavior is defined as the exertion of physical force by a student with the intent to do serious physical injury to another person, while on school property, including while on school transportation in service on behalf of the district, or while involved in school activities.

ALTERNATIVE SUPPORT CENTER (ASC)

This full-day program is for middle school students on long-term suspension for non-violent infractions and students who are self-referred by parents/legal guardians. Self-referred students are those who are experiencing difficulties at their school and the family requests a change of placement to help them move forward. Limited spaces are available for self-referred students. Students will also receive individual and group counseling while attending. The program is located at the Hazelwood Opportunity Center. Limited district-provided transportation is available.

APPEAL

An appeal is defined as a formal request to a higher authority for a change in or confirmation of a previous decision.

- **BUILDING LEVEL**

If a parent/legal guardian or student would like to discuss any disciplinary action, the appeal process begins with the building principal or their designee. **Detentions, in-school and/or out-of-school suspensions up to 10 school days cannot be appealed beyond the building principal.**

- **DISTRICT LEVEL**

If an out-of-school suspension exceeds 10 days, the student and/or his parent/legal guardian may appeal the suspension.

CHECK-IN CHECK-OUT

Check-in Check-out is defined as a process where a student checks in with a staff member at the beginning of the school day to receive support, and they check back with a staff member at the end of the day to share how their day went. This process is documented by the staff member and shared with the parent/legal guardian as needed.

CONFLICT MEDIATION (PEER AND/OR ADULT DIRECTED)

Mediation is defined as a meeting between two parties to address an area of concern with the outcome being that each will understand the other's perspective and make better choices moving forward. This may be facilitated by a staff member or a student peer leader.

Corporal punishment is defined as the use of physical punishment as a consequence of misconduct. No person employed by or volunteering on behalf of the Hazelwood School District shall administer or cause to be administered corporal punishment upon a student attending District schools.

A staff member may, however, use reasonable physical force to restrain a student if it is essential (after proper Non-Violent Crisis Prevention Training) for the preservation of order or for the protection of self, other persons or the property of the school district. The appropriate administrator will be notified immediately.

COUNSELOR/SOCIAL WORKER INTERVENTION

A referral is made to the counselor and/or social worker to provide the student with social and emotional support in dealing with and/or addressing an issue.

DETENTION

A detention is defined as a period of time before/after school or on Saturday that is provided for students who have minor violations.

DISCIPLINE HEARING (DH)

Discipline Hearing is defined as a meeting convened when a principal has requested a suspension of more than 10 days. The purpose of this discipline hearing is to verify the facts and provide the student, parents/legal guardians and school with an opportunity to present additional data or extenuating circumstances.

When a student is referred to a discipline hearing, the student will be suspended out-of-school (OSS) until the hearing is convened within 10 school days. After a detailed report has been submitted to the Deputy Superintendent regarding the incident, the Deputy Superintendent will then make a decision concerning further disciplinary action. The Deputy Superintendent's decision may include the possibility of a suspension for up to 180 school days or recommendation to the Board of Education for suspensions in excess of 180 days or expulsion.

When a student is referred to a discipline hearing, the student will be suspended out-of-school until the discipline hearing is held and the Deputy Superintendent has made a decision concerning further disciplinary action.

FUNCTIONAL BEHAVIOR ASSESSMENT

Functional assessments describe the relationship between a skill or performance problem and variables that contribute to its occurrence.

- when the student is most likely to demonstrate the behavior; and
- situations in which the behavior is least likely to occur.

PARENT/LEGAL GUARDIAN CONTACT

Parent/legal guardian contact is defined as any communication, in either written or verbal form, between parents/legal guardians and school officials to discuss the current academic, behavioral, social or emotional status of a student.

POSITIVE CHOICE PROGRAM (PC) – This program is for middle and high school students on long-term suspension for more serious and/or violent infractions. Selling is defined as the sale of items not approved by the school principal. Solicitation is defined as requesting a member of the school community to purchase goods or services or distributing flyers without the approval of the school principal.

SIEP (SUBSTANCE INTERVENTION AND EDUCATION PROGRAM)

The SIEP Program is a substance abuse intervention program offered by one of our community partners, Preferred Family Health Care. Participants in this program go through an evaluation process and are assigned a treatment program. This could include out-patient or in-patient

treatment plans. Successful participation and completion of the recommended program in the SIEP program may reduce the number of suspension days originally assigned.

SOCIAL SKILLS INSTRUCTION

Social skills instruction is defined as a situation where a staff member teaches a student appropriate and expected social behavior.

STUDENT IDENTIFICATION BADGES

A student identification badge is defined as the badge/tag issued by the school to be worn by the student for identifying a person as a student. The Student Identification tag must be worn around the neck on a school-issued lanyard, except in cases when it presents a safety hazard. The student must replace lost or defaced ID's and lanyards for additional costs. Failure to pay fines could impact participation in school-related activities.

SUSPENSION AND REMOVAL (POLICY JGD)

The terms "suspension" and/or "removal" is defined as exclusion from school that will not exceed a specific period of time and shall be subject to the due process procedures set forth for "suspensions" in this policy. Suspension may be in-school or out-of-school. Regarding in-school-suspension, the student is deprived of attending regular classes, participating in co-curricular activities or school-sponsored functions whether on campus or at another facility for the determined number of days, but the student is expected to attend school, report to the in-school suspension room, complete assignments and behave appropriately. Regarding out-of-school suspension, the student is deprived of all the privileges of attending school, participating in classes, participating in or attending any co-curricular activities or school-sponsored functions whether on campus or at another facility for a determined number of days up to and including 180 school days. Students who have been suspended may not be on any school district property or attend any Hazelwood function whether on campus or off campus during the period of the suspension unless authorized to do so by the superintendent or principal.

The term "expulsion" is defined as exclusion for an infinite period. Procedures that should be followed to suspend a student differ from those that are required to expel a student. A principal may suspend a student for up to ten (10) school days. A superintendent may suspend a student for up to one hundred eighty (180) school days. The Board of Education may expel a student.

Any student suspended after the third occurrence shall be strongly encouraged to attend a family meeting after every suspension with a District social worker, counselor and administrator prior to being readmitted. Additionally, a school may hold a meeting after any suspension, or as an intervention prior to suspension.

Additional procedures for discipline for students with disabilities are sometimes required, as discussed in policy JGE, Discipline of Students with Disabilities. The District honors suspensions and expulsions from another in-state or out-of-state school district including a private, charter or parochial school or school district pursuant to law and policy JEC.

STUDENT BEHAVIOR GUIDE OFFENSES, CONSEQUENCES, INTERVENTIONS AND SUPPORTS

**(THE EXPECTATIONS FOR STUDENT BEHAVIOR IS ADDRESSED IN HAZELWOOD
SCHOOL DISTRICT POLICY JG)**

LEVEL SYSTEM OF CONSEQUENCES

When a student fails to comply with the expectations of the Student Behavior Guide, it may be necessary to assign appropriate consequences. All consequences are organized under a level system based on their severity. Below are consequences with a suggested level which may be assigned to students. The level assigned to an offense is only a suggested starting point, not a concrete starting point. Consequences should be given to individual students based on many factors, including age, grade level, the student's prior experiences and situation. Progressive discipline may be used in determining consequences.

LEVEL 1 - Written Warning, Confiscation of Item, Immediate Modifications to Behavior and/or Dress as required, Loss of Privileges, Restitution, Assignments to reinforce positive behavior or Detention.

LEVEL 2 - Detention, Loss of Privileges, Suspension from 1 to 10 Days (In School, Out-of-School or off of School Bus) Discipline Hearing up to 180 days Out-of-School Suspension, or possible expulsion and/or Police Notification as required by law.

LEVEL 3 - 10 days Out-of-School Suspension and/or a Discipline Hearing up to 180 days Out-of-School Suspension, or possible expulsion and/or Police Notification as required by law.

INTERVENTIONS AND SUPPORTS

When a student fails to comply with the expectations of the Student Behavior Guide, interventions and support may be provided to assist them in understanding the consequences of their choices and to learn the needed steps to make better choices in the future. Several of these interventions are provided for each offense listed although others may be implemented.

RESTORATIVE PRACTICES

The Hazelwood School District is committed to providing a restorative approach to discipline whenever appropriate. A restorative approach builds healthy relationships between educators and students. It reduces, prevents, and improves harmful behavior while repairing harm and restoring a positive relationship. This approach resolves conflict, holds individuals and groups accountable and addresses and discusses the needs of the school community to prevent the behavior again. A restorative approach can include effective questioning, conflict resolution, problem-solving circles or class meetings and formal restorative conferences. A restorative approach believes that it is important to problem solve, resolve conflicts and build stronger relationships. Restorative practices should be utilized with participants in an activity as well as bystanders affected by an incident.

[An Overview of Restorative Practices](#)

The consequences and interventions in this guide are not meant to be used in sequential order, and the level assigned to a consequence is only a suggested starting point, not a concrete starting point. They are to be used as a guide. Consequences and interventions should be assigned to individual students based on many factors, including age, grade level, the student’s prior experiences and situation.

HAZELWOOD SCHOOL DISTRICT
EXPECTATIONS FOR WALKERS GRADES K-12

Students are required to follow all safety rules and expectations of the school on their way to and from the school. Participating in an activity that is listed as an infraction in the handbook on the way to or from school will be dealt with according to the behavior guide.

HAZELWOOD SCHOOL DISTRICT
EXPECTATIONS FOR BUS RIDERS GRADES K-12

Students are important in keeping the bus on schedule and promoting **maximum safety conditions** to and from school. Arrive 10 minutes before your assigned time and be ready to **board the bus in an orderly manner** as soon as the bus arrives. Be careful when you are approaching the bus stop; use sidewalks when available. For your protection, as well as for others – **stay out of the street.**

When boarding the bus, go as far to the rear of the bus as possible unless you have an assigned seat. Make sure you are seated fully on the seat your back to the back of the seat. **You will be expected to comply with all directions from the bus driver.**

Avoid loud talking, loud laughing AND unnecessary conversation with the bus driver. Keep your head, arms, hands, etc., inside the bus at all times. Do not yell at passersby. **Obscenities and profanity will not be tolerated.**

Smoking is prohibited. In case of violations of this expectation, the discipline policy regarding smoking will be administered – including the loss of bus riding privileges.

If the bus has an emergency, mechanical trouble, or is delayed on the road, remain seated until the driver gives you instructions. If you are waiting for a bus to arrive, please wait until your regular bus or a relief bus arrives or 10 minutes past your stop time before calling Transportation.

Students are not permitted to sit in the driver's seat, operate the stop arms, sit on the heater box, or stand in the aisle in front of the first row of seats. Eating, drinking and cell phones are prohibited on the bus. Radios and animals shall not be transported on the bus. No skateboards, no basketballs, footballs, etc., are allowed.

Fighting, wrestling, pushing, shoving, "roughhousing or horseplay" of any kind are prohibited on the bus or at the waiting area. Students who throw snowballs, rocks, or other objects at or from the bus will be disciplined or reported to the administration or law enforcement agency.

HAZELWOOD SCHOOL DISTRICT
EXPECTATIONS FOR BUS RIDERS GRADES K-12

(Continued)

When it is necessary to cross the street after getting off the bus, the driver will protect your crossing with the stoplight and stop arm. Students are to cross **in front** of the bus under the driver's supervision. This may also apply in instances where pupils wait for the bus on the opposite side of the street.

Students may only leave and board the bus at their regular stops and at school. Permission to deviate from this is upon the principal's approval with a note from the parent/legal guardian. Students are to ride the bus they are assigned. No one is allowed to board a bus except those assigned.

The emergency door is for use **only in an emergency**.

The purpose of the **student's I.D.** is to ensure pupil identification, prevent riding the incorrect bus, and provide control of pupil conduct. If a student does not have an I.D. in the morning when they are attempting to get on the bus, the bus driver may allow them on the bus if they recognize the student as a regular rider. If the driver does not recognize the student, the driver will call the transportation office and get identifying information to attempt to identify the student. If the driver cannot identify the student, security will be called, and the bus will not leave the student until security is on the scene. In all these instances, the student will be reported to the office for failure to have an I.D. If in the driver's opinion the student is not behaving according to bus expectations, the driver will request the student's I.D. to record the student's name.

Students causing damage to the seats or any other part of the bus will be subject to disciplinary consequences – including reimbursement to the school district for the damages.

Consequences are determined by the principal, depending on the severity and other circumstances. Consequences may include removal from the bus and/or other disciplinary actions as defined in The Student Behavior Guide.

Actions by a student or others harmful to students and/or driver or actions by a student or others which causes damage to school property is subject to maximum consequence authorized by the board of education and also subject to appropriate action by the local law enforcement agency.
