TIPS FOR SUMMER LEARNING

1. Read. Read. Read. Go to the public library!
2. Have fun with numbers. Play card games with your math take workbooks.
3. Turn off the TV! Turn off the screens!
4. Make art. Do directive drawings.
5. Experiment! Do science!
6. Get outside. Take a hike. Play in the sun. Visit a park. Go for a bike ride or a run.
7. Go to a museum.
8. Write in a diary/journal. Write to family members.
9. Practice writing heart words and high frequency words.

LITERACY

Your little one has grown so much as a reader and writer this year! Please have your child practice reading this summer. It's important for them to practice reading and writing their heart words and phonics skills. Your child can do lessons on Amira and Waggle in their Katy Cloud. Also, your child can also continue to work on writing by keeping a diary/journal to document their summer fun!

MATH

You can play dice games, card games, dominos, and practice math fluency with your take home math books. Also, your child can continue to complete Waggle lessons each week in their Katy Cloud this summer!

We will miss all of our Dragons.
Have a great summer and good luck in 2nd grade!
