MIKIE SHERRILL
GOVERNOR

May 19, 2026

Dear Friends,

On behalf of the State of New Jersey, it is my pleasure extend warm greetings to everyone in attendance for the 2026 "A Day in the Life" International Day program, hosted by Red Bank Charter School (RBCS).

Since its founding in 1998, RBCS has organized this remarkable annual program to showcase how all children can learn, grow, and contribute to the world as responsible global citizens. By immersing students in the cultures and experiences of others, RBCS prepares them not only for the communities in which they live, but for the diverse and interconnected world they will inherit as adults.

As Governor, I commend RBCS for its outstanding commitment to cultural enrichment and global awareness. Programs such as International Day remind us that the curiosity and empathy we cultivate in our young people today will shape the character of our communities for generations to come.

May this recognition encourage you to continue inspiring the changemakers of tomorrow.

Sincerely,

A handwritten signature in blue ink that reads "Mikie Sherrill".
