

August 17, 2026

Dear Third Grade Families,

Welcome to 3rd grade! I am glad you are here. Third grade is an exciting year in your child's academic journey. I hope to instill a lifelong love of learning, resilience, and grit. We will work on hard things and learn we can do hard things.

In order to create a successful learning environment for everyone, positive behavior is an expectation in our classroom. Together we will create classroom rules and expectations so that every child feels safe and productive. I will send home a weekly newsletter to keep you informed and up to date on what is happening in the classroom.

Our open house Meet and Greet is August 17, 2026 from 4:30 – 5:30. I hope you can attend and I'm excited to meet you and reconnect with those I've worked with before.

Below you will find the 3rd grade traditional class supply list. If you are able to send in supplies, it is appreciated but not required. If you are able to provide extra supplies, please bring those in the first weeks of school. We will make sure every student has all the necessary supplies. You will also want to plan on a backpack and water bottle.

I'm looking forward to a wonderful year together. Please feel free to reach out with any questions.

Sincerely,

Mrs. McGarr
