As long as the Superintendent uses any reasonable interpretation of the Board's Balanced Governance Model Standards policies, the District Policies and Regulations, the District's Vision and Strategic Plan, and/or applicable law, the Superintendent is authorized, within the powers and authority of the Board, to make all decisions, take all actions, establish all practices, develop all activities, and generate further policies, rules or procedures as deemed necessary and/or desired.
 - b. The Superintendent has the authority to act in the absence of a specific Board policy or Board action, provided that such action will not be in conflict with the general aims and objectives of the District or with any applicable law.
 - c. The Board shall support the Superintendent and District employees in the enforcement of approved policy until such time that the policy is officially revised by the Board.
 - d. The Board delegates to the Superintendent, or designee, the authority to make all employment decisions except those regarding the Superintendent, subject to any limitations of Board Policy.
