

Welcome to Honors Pre-Calculus!

The mastery of important skills from prior math courses is vital to your success next year. To better prepare you for the content we will cover, we created this summer assignment.

This year's summer assignment will be completed in DeltaMath and is broken into the following categories.

- I) Graphing Linear Equations (45 mins)
- II) Evaluating Functions (25 mins)
- III) Analyzing Functions (45 mins)
- IV) Simplifying Expressions (16 mins)
- V) Factoring (35 mins)

***Help videos are available for each assigned skill**

Steps to join HPC Summer:

- Log into DeltaMath
- Go to Tools, Manage Login and Classes
- At the bottom where it says Add a New Class, enter class code: 844R-D34R or click on the link below
<https://www.deltamath.com/students?code=844R-D34R>
- Select Honors Pre-Calculus Summer 2026

The assignment will open Monday, July 6th and will close Tuesday, August 18th at 8:00 a.m. Assignment is worth 50 points. The assigned skills will prepare you for the first unit of pre-calculus.

We are looking forward to working with you next year.

Have a great summer,

Mrs. Redmore
