

Hello Families,

We look forward to having your children in class this year! We will screen the children during the first week of school and then place them in their assigned teacher's class on the Friday before the first day of class for kindergarteners. In order to ensure that your child has the necessary tools to participate in the activities we have planned, we have put together this universal first day of school supply list. If your designated teacher requires items not included on this list, you may receive a second list on the first day of class.
