Meet the **TEACHER**

Welcome to Fifth Grade!

All about Mr. Ateek:

A little about me. My name is Anthony Ateek, and I am a +20 year teaching veteran; all of my experience has come in Pinellas County Schools. In fact, I come from a long line of teachers, and I love watching children grow academically. I am an avid fan of baseball (Rays Up!), science, and I am keenly interested in all sorts of artistic ventures from cooking, to playing music and writing, and so much more. As partners, we share the responsibility for your child's success, and I want you to know that I will do my very best to carry out this responsibility.
