Dual Language Application Form

The Tukwila School District Dual Language Program is accepting applications for incoming students to join the Spanish Dual Language Kindergarten classroom at Cascade View Elementary School. Students in the Spanish Dual Language Program are taught the standard Tukwila School District curriculum but receive instruction in both Spanish and English. They learn to understand, speak, read, and write in both Spanish and English.

The Dual Language Program seeks to serve both Spanish proficient and non-Spanish proficient students, in a learning environment in which 50% of the students in a Kindergarten class are Spanish proficient and 50% are non-Spanish proficient.

Initial entry is through a lottery process. At the conclusion of the lottery process remaining applicants will be placed on a waitlist. Generally, once admitted into the Dual Language Program the student may remain in the program through graduation provided they remain in good standing, unless the student moves out of the District.
