#### Electronic Schedules and Grades:

- **Important!** To access your student's schedule and grades, you must log in to the **Cooperative Summer School SchoolTool system.**
- If your district uses SchoolTool, this will be a separate link and login.
- Please ensure your email address is current in the district's system in order to receive login information.
- **Login information will be emailed** to parents **and** students following student course enrollment. Emails may appear in spam/junk folder.
- Access Summer SchoolTool through login email or on the M1B summer school site (Links below).
- **July 8:** Students' summer school **schedules will be available** through the SchoolTool Portal.
- **August 3:** Session 1 grades are available through the SchoolTool Portal.
- **August 24:** Final grades are available through the SchoolTool Portal.

#### Reminders:

- Please review our code of conduct and Parent/Student Handbook on our M1B Summer School site.
- Students taking math or science classes are encouraged to bring their own calculator.
- Students enrolled in a remedial course can miss a maximum of 2 days, otherwise they will be ineligible to receive course credit. There is no attendance requirement for Review classes.
