NEHS BRIEF HISTORY

EXCITING NEWS

At Bauder Elementary, we are thrilled to announce the launch of our very first chapter of the National Elementary Honor Society!

This exciting new opportunity allows us to recognize students who exemplify the core values of **Scholarship, Service, Citizenship, and Leadership**. Beginning this year, we will proudly induct students who demonstrated these qualities during the previous school year.

The National Elementary Honor Society is designed for elementary schools and focuses on two primary goals:

1. **Promoting academic excellence and leadership**

We are so excited to bring this nationally recognized program to Bauder and to celebrate the outstanding achievements of our students!
