Dear name,

Congratulations on becoming a **Candidate for Membership** in our school's chapter of the **National Elementary Honor Society (NEHS)**. You were identified based upon the good grades, work habits, and conduct you have earned on your report cards. While not yet a member, you can be proud of these accomplishments.

If you meet the following requirements, you are eligible for candidacy in the Bauder Elementary Chapter of NEHS:

- You made all A's and/or B's on your current and previous semester report cards.
- You have not received a discipline referral this school year.
- You have not received any N's or U's for 'Conduct' or 'Work Habits' on your current and previous semester report card.
- You have completed 5 hours of meaningful community service for non-family during the summer. (Ideas: churches, schools, animal shelters, summer programs, libraries)

If you did not meet the requirements above, you may not be eligible for membership into the Honor Society at this time.

What does membership entail?

- Attending monthly meetings
- Dues (\$5.00)
- Participation with in-service projects or fundraisers
- Maintaining A's and/or B's on your report cards
- Maintaining E's, V's, and S's on all your report cards.

Applications will be distributed at a NEHS Parent Orientation Meeting. Please do not attempt to hand in any loose paperwork. The application packet must be completed and handed in all together. Listen to announcements at school, visit the Bauder website and click the NEHS tab, and listen for phone calls via the school message system for more information.
