Interview/Recommendation Guidelines

- The Principal/Executive Director of School Nutrition will immediately communicate school nutrition vacancies to the Office of Human Resources.
- Staffing school nutrition positions with full-time personnel will be the school district's highest priority consideration, contingent upon budgetary constraints; part-time requests must be part-time allotments and/or benefit districtwide needs, as determined by the Office of Human Resources.
- The Office of Human Resources, in conjunction with the Office of School Nutrition, will develop a list of school nutrition employees eligible for the various levels.
- As part of the employment process for the SN position and substitutes, approved applicants will be required to attend an orientation session in the Office of School Nutrition. This requirement must be met as a condition of employment for school nutrition and lunchroom monitor.
- Substitutes on the approved list will be assigned to a worksite location through the Office of School Nutrition.
- Principals will interview and recommend personnel from the approved list of eligible candidates, except as determined by the Office of Human Resources.
- School Nutrition staff that work during the summer feeding program must have a clear MVR.
