A State agency shall require a person or entity that submits a bid or proposal or otherwise proposes to enter into or renew a contract **to certify, prior to the time a contract is awarded** and at the time the contract is renewed, that the person or entity is not identified on a list created pursuant to subsection b. of section 3 of this act as a person or entity engaging in investment activities in Iran described in subsection f. of section 2 of this act.

Any person or entity that is a successful bidder or proposer or otherwise proposes to enter into or renew a contract must complete the certification below to attest, under penalty of perjury, that neither the person or entity, nor any parent entity, subsidiary, or affiliate is identified on the State Department of Treasury's Chapter 25 list as a person or entity engaging in investment activities in Iran. The list is found on the Treasury's website at www.state.nj.us/treasury/purchase/pdf/Chapter25List.pdf

24. NON-COLLUSION AFFIDAVIT

A notarized Non-Collusion Affidavit is requested to be submitted with the proposal. The vendor has to further warrant that no person or selling agency has been employed or retained to solicit or secure such contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees of bona fide established commercial or selling agencies maintained by the vendor.

The Board of Education has provided a Non-Collusion Affidavit form within the specifications package. All vendors are requested to complete, sign, have their signature notarized, and submit the form with the proposal response.

Failure to submit the signed Non-Collusion Affidavit with the proposal may be cause for the disqualification of the proposal.

25. PAYMENTS

Every effort will be made to pay vendors and contractors within thirty (30) to sixty (60) days, provided the Board of Education receives the appropriate documentation, including but not limited to:

- Signed voucher by vendor;

Payment will be rendered upon completion of services or delivery of the full order of services. Pursuant to the New Jersey Prompt Payment Law-- N.J.S.A. 18A:18A-10.1, unless otherwise provided for in the contract, the required payment date shall be ninety (90) calendar days from the date specified in the contract or if no required payment is specified in the contract, then the required payment date shall be 90 calendar days from the receipt of a properly executed invoice, or 90 calendar days from the receipt of goods or services, whichever is later. Interest shall not be paid unless goods and/or services have been rendered. All payments are subject to approval by the Board of Education at a public meeting. Payment may be delayed from time to time, depending on the Board of Education meeting schedule.

26. POLITICAL CONTRIBUTION DISCLOSURE STATEMENT – PAY TO PLAY

It is the business entity's responsibility to determine if filing is necessary. Additional information on this requirement is available from the New Jersey Election Law Enforcement Commission at 1-888-313-3532 or www.elec.nj.us.

- **Chapter 271 Political Contribution Disclosure Form**

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of N.J.S.A. 19:44A-20.26. This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

The disclosure must list reportable contributions to any of the committees that exceed **\$200 per election cycle** that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey- based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees. (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission, which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. Pursuant to N.J.S.A. 19:44A-20.26 (a), all business entities shall submit a completed and signed Chapter 271 Political Contribution Disclosure Form with their proposal.

All business entities shall submit with their proposal package a completed and signed Chapter 271 Political Contribution Disclosure Form. This process may only take place after proposals have been opened and reviewed, and prior to the completion of the evaluation. Under no circumstances shall the provisions of the proposal be subject to negotiation.

30. VENDOR’S RESPONSIBILITY FOR PROPOSAL SUBMITTAL

It is the vendor's responsibility to ensure that their proposal is presented to the Office of the School Business Administrator/Board Secretary and officially received before the advertised date and time of the proposal. It is understood and agreed upon that any person in the School District will be absolved from responsibility for the premature opening of any improperly labeled and sealed proposal.

If the Department of the Treasury finds that a Vendor has made a certification in violation of the law, it shall take any action as may be appropriate and provided by law, rule, or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

The Board has provided, within the specifications, a Certification on Non-Involvement in Prohibited Activities in Russia or Belarus Form for all persons or entities that plan to submit a bid, respond to a proposal, or renew a contract with the Board, to complete, sign, and submit with the proposal. The Certification on Non-Involvement in Prohibited Activities in Russia or Belarus Form is to be completed, certified, and submitted prior to the award of the contract.

33. STATEMENT OF OWNERSHIP

No corporation, partnership, or limited liability company shall be awarded any contract nor shall any agreement be entered into for the performance of any work or the furnishing of any materials or supplies, the cost of which is to be paid with or out of any public funds, by the State, or any county, municipality or **school district**, or any subsidiary or agency of the State, or of any county, municipality or school district, or by any authority, board, or commission which exercises governmental functions, unless prior to the receipt of the bid or accompanying the bid, of said corporation, said partnership, or said limited liability company there is submitted a statement setting forth the names and addresses of all stockholders in the corporation who own 10 percent or more of its stock, of any class, or of all individual partners in the partnership who own a 10 percent or greater interest therein, or of all members in the limited liability company who own a 10 percent or greater interest therein, as the case may be.

If one or more such stockholder or partner or member is itself a corporation or partnership or limited liability company, the stockholders holding 10 percent or more of that corporation's stock, or the individual partners owning 10 percent or greater interest in that partnership, or the members owning 10 percent or greater interest in that limited liability company, as the case may be, shall also be listed. The disclosure shall be continued until names and addresses of every noncorporate stockholder, and individual partner, and member, exceeding the 10 percent ownership criteria established in this act, has been listed.

To comply with this section, a bidder with any direct or indirect parent entity which is publicly traded may submit the name and address of each publicly traded entity and the name and address of each person that holds a 10 percent or greater beneficial interest in the publicly traded entity as of the last annual filing with the federal Securities and Exchange Commission or the foreign equivalent, and, if there is any person that holds a 10 percent or greater beneficial interest, also shall submit links to the websites containing the last annual filings with the federal Securities and Exchange Commission or the foreign equivalent and the relevant page numbers of the filings that contain the information on each person that holds a 10 percent or greater beneficial interest.

The Statement of Ownership Form included shall be completed and submitted with the proposal. **Failure to submit the disclosure document shall result in the rejection of the proposal as it cannot be remedied after the proposals have been received.**

34. SUBCONTRACTING; ASSIGNMENT OF CONTRACT

Contractors, service providers, and all vendors with whom the Board of Education has an executed contract may not subcontract any part of any work done or assign any part of a contract for goods or services for the Board without first receiving written permission from the School Business Administrator.

Contractors, service providers, and vendors using subcontractors assume all responsibility for work performed by subcontractors. The Board Business Office may require the following documents to be secured from all approved subcontractors:

- Insurance Certificate as outlined in the proposal specifications;
- Affirmative Action Evidence as outlined in the proposal specifications;
- New Jersey Business Registration Certificate; and
- Other documents may be required by the Board of Education.

In subcontracting cases, the Board of Education shall only pay the prime contractor. It is the sole responsibility of the prime contractor to ensure that all subcontractors are paid. The Board of Education shall not be responsible for payments to subcontractors and shall be held harmless against any or all claims generated against prime contractors for non-payment to subcontractors. Transportation carriers hired by the vendor to deliver goods and materials are not considered to be subcontractors.

35. TAXES

As a New Jersey governmental entity, the Board of Education is exempt from the requirements under New Jersey state sales and use tax (N.J.S.A. 54:32B-1 et. seq.), and does not pay any sales or use taxes. Vendors should note that they are expected to comply with the provisions of the said statute and the rules and regulations promulgated thereto to qualify them for examinations and reference to any and all labor, services, materials, and supplies furnished to the Board of Education. Vendors may not use the Board's tax-exempt status to purchase supplies, materials, services, or equipment.

A vendor may qualify for a New Jersey Sales Tax Exemption on the purchase of materials, supplies, and services when these purchases are used exclusively to fulfill the terms and conditions of the contract with the Board of Education. All vendors are referred to the New Jersey Division of Taxation—Tax Bulletin S&U-3 for guidance. Again, vendors are not permitted to use the Board's tax identification number to purchase supplies, materials, services, or equipment.

36. TERMINATION OF CONTRACT

If the Board of Education determines that the vendor has failed to comply with the terms and conditions of the proposal upon which the issuance of the contract is based or that the vendor has failed to perform said service, duties, and or responsibilities in a timely, proper, professional and/or efficient manner, then the Board shall have the authority to terminate the contract upon written notice setting forth the reason for termination and effective date of termination.

Termination by the Board of the contract does not absolve the vendor from potential liability for damages caused by the District due to the vendor's breach of this agreement. The Board may withhold payment due to the vendor and apply the same towards damages once established. The Board will act diligently in accordance with governing statutes to mitigate damages. Damages may include the additional cost of procuring said services or goods from other sources.

The vendor further agrees to indemnify and hold the District harmless from any liability to subcontractors or suppliers concerning work performed or goods provided arising out of the lawful termination of this agreement.

37. WITHDRAWAL OF PROPOSALS

- Before The Proposal Opening

The School Business Administrator may consider a vendor's written request to withdraw a proposal if received before the proposal submission deadline. Any vendor who has been granted permission by the School Business Administrator to withdraw their proposal cannot resubmit a proposal for the same advertised project. That vendor shall also be disqualified from future proposals on the same project if the project is re-advertised.

- After The Proposal Opening

The Board of Education may consider a written request from a vendor to withdraw a proposal if the School Business Administrator receives it within five (5) business days after the proposal opening. A request to withdraw a proposal after the specified number of days will not be honored.

The contractor/vendor who wishes to withdraw a proposal must provide a certification supported by written factual evidence that an error or omission was made by the contractor and that the error or omission was a substantial computational error or unintentional omission or both.

The request to withdraw a proposal after the proposal opening may be reviewed by the School Business Administrator, and/or the Board Attorney, and a recommendation will be made to the Board of Education. If the Board of Education grants permission to withdraw the proposal, the contractor/vendor shall be disqualified from quoting on the same project if the project is re-advertised.

If the contractor/vendor fails to meet the burden of proof to have the proposal withdrawn, the request to withdraw the proposal will be denied, and if the contractor/vendor fails to execute the contract, the bid guarantee will be forfeited and become the property of the Board of Education.

This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed **\$200 per election cycle** that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit

- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

Note: All such data shall be entered no later than thirty (30) days following the end of any service month. Failure to meet this requirement shall cause the subsequent payment for services to be delayed until this error is corrected. Continued failure shall be a reason for contract cancellation.

Companies will provide the District with a list of employees, copies of required licenses and/or certifications, contact information (phone number and email), location, and monthly updates of information based on changes in employees' caseload.

Implementation of services must occur within two (2) weeks of receiving the referral. In the event that an LDTC leaves, a replacement must occur within one (1) week of leave.

- **Attendance of Staff**

All agency personnel are expected to sign in via the electronic system at the assigned building on a daily basis. Reporting time for agency personnel will be the same as the contractual start time for district employees in that building.

- **Notification of Absence:**

In the event of an absence, the LDTC must notify the Department of Special Services AND assigned school building personnel via email before the start of the school day.

Each therapy session billed must show the name of the person who conducted that session, especially when there is an absence or leave. In those instances where a report is generated and received by the District, that assessment shall be considered equivalent to this form. In the case of an evaluation, a copy of the evaluation must be included with the invoice as proof of service. Group sessions must include the names of all students on the service verification form.

Procedural Expectations:

The following are part of the additional procedural expectations attending to the awarding of a final contract:

- Unless Vouchers for Payment are received in the Department of Special Services by the first (1st) of the month following the billing (or the first business day after if the first (1st) is a weekend or holiday), payment by the District will be delayed.
- Upon receipt of a contract and the commencement of service, NO SERVICES NOT SPECIFIED IN THE AWARD MAY BE PROVIDED. IF SUBMITTED, SUCH PAYMENT SHALL NOT BE MADE. There are no exceptions to this absolute requirement.
- All fees for service shall be paid in the billing cycle one month following the service delivery. All bills for payment shall be submitted on the forms provided by the Board of Education and must be accompanied by the Service Verification forms, signed by the parent or school staff member.
- All Vouchers for Payment must be submitted separately for each of the District's schools.
- All vouchers for payment of services to non-public schools, when applicable (sectarian and non-sectarian), located in Shrewsbury Borough, must be on separate Vouchers as well.
- Every voucher must identify the school in which the service was provided. For those rare circumstances where services are provided at home or a place of business, a separate Voucher must be submitted bearing that information.

- Services are not provided on the days when schools are closed due to inclement weather. The Shrewsbury Borough Public Schools will not pay any charges incurred during inclement weather days.

Note: The District shall not pay for any missed appointments or therapy sessions scheduled. In the event that an LDTC is absent, a session must be rescheduled within 30 days. In the event that a student is absent, the District will not pay for a make-up session.

Make-up sessions must be noted on all Service Verification Forms.

In rare cases, compensatory services may be approved. Be cautioned that the District will not pay for any compensatory services that are not approved in writing by the Department of Special Services. All compensatory services must be billed on separate Service Verification Forms.
