Streamwood High School Student Government Day

An overview

Interactive Presentations

Students engage with complex data and project updates through dynamic, screen-based visual storytelling.

VR Exploration

Immersive Virtual Reality experiences allow for deep dives into simulated environments and technical concepts.

Hands-On Guidance

Mentorship and instruction bridge the gap between digital tools and real-world application.

Student Advisory Recommendations

Student Insights: Design & Infrastructure

Open, flexible layouts support movement and collaboration

Secure and visible front office areas reinforce safety

Spaces designed for hands-on and creative learning

Modern amenities enhance usability and inclusion
