Private Musical Tuition 2026 – 2027 (Boarders)

*I wish to accept private weekly _____ tuition on behalf of my son
_____ of class _____ (Sept 2026), and in doing so, agree to abide by
the following conditions:*

1. I understand that my son will be required to practise this instrument for 20 minutes each day. This time commitment will increase with standard.
2. I am prepared to purchase any necessary sheet music and study books as recommended by the tutor.
3. As part of the Musical Tuition Agreement, I understand that my son will also be required to participate weekly in a school instrumental/choral group when ability allows him to do so. Pupils should attend all rehearsals and concerts of that group, and failure to do so will result in the termination of this agreement, unless my child is absent from school on that particular day. Junior ensembles meet on Monday from 3.30pm – 4.30pm, and Senior ensembles meet on Tuesday from 3.30pm – 4.45pm. Rehearsal times for these instrumental/choral groups will be confirmed with your son.
4. I understand that if I wish my child to cease lessons, then I should inform the Head of Music, in writing, at least four lessons in advance. I understand that payment for this notice period is due regardless of whether or not the final four lessons are attended. Refunds cannot be provided, therefore a full block of ten pre-paid lessons must be completed before lessons cease.
5. I understand that the fee for a private lesson, lasting 30 minutes is £17.00. Alternatively, if the lesson is shared with another pupil, the fee is £11.00, and if shared with two others, £9.00.
6. I understand that the fee for ten lessons is £170.00, and that these invoices are payable in advance of each ten-week block. Payment will be requested via Parent Mail and lessons will have to cease if this is not paid within two weeks of the fees request date.
7. I understand that my child will be excused from a different class each week to be taught by a specialist Instrumental Teacher. Preference cannot be given in relation to which class is missed, as the music tuition timetables operate on a strict rotation basis. Missed lessons due to a pupil not wishing to excuse himself from a specific class will still be charged for.
8. It is the child's responsibility to ascertain the time and location of the weekly lesson. This information will be available on the "Involve Music" app, and the Music Dept notice boards. If my child is absent from school on a day on which he receives a lesson, he may cancel that lesson by informing the Music Department (via Boarding Dept staff) before 8.00am. A lesson may only be cancelled and not charged for on the grounds of 'Absent from School' due to sickness, a school trip or study / exams leave, and I will not presume that the Music Dept staff know about every school trip or special event throughout the year. (In the case of a "class test" or sporting fixture, it is the pupil's responsibility to inform the tutor beforehand, or arrange a swap with another pupil, as missed lessons for these reasons will still be charged for).
9. I understand that I will be charged for missed lessons unless:
 - The tutor fails to attend.
 - My son informs the Music Department (via Boarding Dept staff) before 8.00am that he is "Absent from school" due to illness, a school trip or study / exams leave.
10. I am prepared to pay musical examination fees if and when my son is recommended by the tutor to enter such examinations (additional fees are payable for Piano Accompaniment and Aural training).
11. I am prepared to encourage my son to attend weekly Theory Classes in order to acquire 'Grade 5 Theory' which is required for practical exams above Grade 5 standard. These classes cost £7.00 per lesson, and are payable via Parent Mail. Lesson times will be confirmed with your son.
