DUE: SEPT 25, 2026**

Traditions are everywhere — a pregame ritual shared with your teammates, a centuries-old art form passed down through careful hands, a secret handshake that belongs only to you and your best friend. Big or small, traditions shape who we are. They can bring people together, or leave others on the outside. Look around you, and look within. What do you notice, and what do you want to say about it? Find your angle and make the photograph yours.

GRADES 6-12 FREE TO SUBMIT
