If you're not covered by an Anthem plan, you'll be responsible for paying the full cost for a visit.

Más herramientas para la crianza de tus hijos

La crianza puede ser una experiencia gratificante y difícil al mismo tiempo. Les enseñas a tus hijos a distinguir la izquierda de la derecha y lo que es correcto de lo incorrecto, y hablas con sus maestros y médicos para acompañar su crecimiento. Con la responsabilidad que acarrea criar hijos, es posible que se sienta la necesidad de tener la respuesta para todas las preguntas. Pero no es necesario que todo lo transites en soledad.

Tu Programa de Asistencia a los Empleados (EAP) está a disposición para ti y para tu familia, ofreciéndoles herramientas, recursos y apoyo sin costo adicional, con el fin de ayudarte con lo siguiente:

- Encontrar un lugar para el cuidado de niños.
- Conectar con recursos para adopción.
- Abordar cuestiones como la salud mental, el hostigamiento, los problemas conductuales, el uso de tabaco y alcohol.
- Comprender las etapas de crecimiento infantil.
