ADVISOR'S MESSAGE

Dear Class of 2025,

When I began as your advisor the summer entering your sophomore year, I promised all of you that I would try and make the next three years as memorable as possible. I hope that as you walked out of those doors for the last time, you feel as though I made good on that promise and have now etched a piece of your heart with these forever memories. I am super proud of your accomplishments and the people you have become.

As you begin this next chapter of your life remember that you're capable of achieving anything you set your heart on. You must not fear making a mistake; instead, view them as opportunities to learn and grow from the experience of having learned something. I know that things were not easy all of the time, especially being a teenager, but you have all shown such strength and resilience. Through every challenge, remember to continue to push forward with determination and grace, inspiring those around you. Your ability to adapt and stay positive— even in the toughest moments— is truly remarkable. My role as class advisor was to guide you and to help you become the best person you could be on your way to achieving your goals and today, you have accomplished that.

I wish you a lifetime of happiness, success, and all the joys that life has to offer you. Now that you are graduating from Ocean Township High School, I can only hope that you are as proud of the legacy you have left as I am of you. May all of the ideals you have learned within these walls forever remain as a compass for your future. Lastly, always remember where you came from; you are forever a SPARTAN.

Love and best wishes,

*Mrs. D. Kowaliwskyj
Senior Class Advisor*
