

FALL 2026 SPORTS INFORMATION

Niagara Falls City School District is now accepting SPORTS PHYSICALS from your child's primary care provider.

We are also excited to announce that we are using a new electronic program called Arbiter Sports that replaced the paper forms previously used.

The QR code above will bring you to the Niagara Falls City School District's registration page. There is also a link to the page on our school website if you register on a computer.

FALL SPORTS REGISTRATION WILL NOT OPEN UNTIL JULY 17, 2026.

From here, a parent/guardian should create an account **with a parent/guardian email address** (one account per family – you may register more than 1 child on your account). You will be prompted to answer all of the registration questions and upload any required documents right on this website.

At your child's next doctor's appointment, please ask for a copy of their physical exam on the Required NYS Health Examination Form. For the Fall 2026 Sports Season, we can accept physical exams dated 8/1/25 or later.

Fall sports begin August 17, 2026

Please make your child's appointment with their primary care physician soon!

If you are unsure if your child is due for a physical, please contact your child's school nurse or call 716-286-0788.
