1  
2 Interscholastic athletics shall be administered as a part of the regular school program and shall be the  
3 principal's responsibility. The principal or the principal's designee must accompany an athletic team on  
4 trips.

5  
6 The Bylaws of the Tennessee Secondary School Athletic Association (TSSAA) shall regulate the  
7 operation and control of secondary athletics.

8  
9 School athletics shall be coached only by persons on contract to the Board of Education and approved by  
10 the Tennessee Secondary School Athletic Association.

11  
12 There shall be an annual physical examination of every student prior to his participation in interscholastic  
13 athletic practice.<sup>1</sup> Cost of the examination shall be borne by the parent or legal guardian of the student.  
14 These records shall be on file.

15  
16 A student's gender for purposes of participation in middle or high school athletics is determined by the  
17 student's sex at the time of the student's birth. A valid original birth certificate must be provided for this  
18 purpose. At the principal's discretion, if there are any issues regarding the birth certificate, the student  
19 and the student's parent/legal guardian must provide other satisfactory evidence of the student's sex at  
20 birth.<sup>2</sup>

21  
22 For the 2025-2026 school year, every participant in athletics shall purchase insurance through  
23 participation in the Knox County Schools Athletic Insurance Program.

24  
25 There shall be no practice of organized school athletics schedules within the school day without approval  
26 of the Superintendent.<sup>3</sup>

27  
28 Each school may play two home athletic events during the school day without requesting permission from  
29 the Board of Education.

30  
31 The conduct of players, spectators, or school personnel reflects directly upon the school system as a  
32 whole. Therefore, conduct of players, spectators, or school personnel that does not exemplify the best  
33 sportsmanship may result in that school's program, players, spectators, or school personnel being  
34 suspended from attendance or participation in the sport concerned with the infraction. The Board of  
35 Education or its designee will determine the duration of the suspension.

36  
37 Maximum admission prices to all athletic events shall be approved by the Board of Education, upon the  
38 recommendation of the Superintendent.
