WHEREAS, the Bayonne Board of Education has set educational goals in accordance with the State of New Jersey; and

WHEREAS, the district-level goals, along with the district's strategic plan, help guide resource allocation and identify areas of focus in the district's planning efforts; and

WHEREAS, throughout the year, the district reports on the progress toward achieving adopted goals and toward accomplishing the strategic plan objectives; and

WHEREAS, district-level goals are carefully considered and established each year, and it ensures everyone is familiar with the direction being set and has participated in setting that direction for the benefit of our students; and

WHEREAS, it is understood that the mission of the Bayonne Board of Education is to serve the community by providing quality education for our students, through the adoption and completion of the following district goals for the 2025-2026 school year:

<p>GOAL #1</p>	<p>"To enhance the educational experience of our ninth-grade students by implementing a comprehensive reorganization of THE Bayonne High School. This initiative will expand access to diverse academic and vocational pathways, including fine and performing arts, honors and scholars programs, business education, and career and technical education. By fostering personalized learning opportunities and career-oriented tracks, we aim to empower students with the skills, knowledge, and experiences necessary for future success."</p> <p>Key Components of the Goal:</p> <ul style="list-style-type: none"> ● Focus on 9th Grade: This explicitly targets the crucial transition year, allowing for early intervention and exploration. ● Reorganization: Implies a systemic change, not just isolated programs. ● Diverse Pathways: Emphasizes the creation of opportunities in: <ul style="list-style-type: none"> ○ Fine and Performing Arts ○ Honors and Scholars Programs ○ Business ○ Career and Technical education ● Early Exposure and Access: Encourages providing students with opportunities to see and try these different paths early in their high school career. <p>This goal provides a strong foundation for improving the 9th-grade experience and setting students on successful paths for their high school careers and beyond.</p>
