### GENERAL ANNOUNCEMENTS

**Celebrating the Boulder High Class of 2026! Once a Panther, Always a Panther!**

**Congratulations, Boulder High!**

It was wonderful to see the community celebrate this amazing school! Many thanks to our BHS Librarian Emily Gallegos for her incredible organization of this event. Boulder High was represented very well! Here are links to download and view some of the media coverage of the event. #### **Goss-Grove Parking Community Meeting: RSVP for Monday, May 18, 5:30-7:00 pm**

Changes to on-street parking in the neighborhood to the north of Boulder High will be piloted over two years starting this fall. The pilot will include paid parking. The City of Boulder and Boulder High School are hosting a community meeting for Goss-Grove neighbors, Boulder High families, and CU students to learn about the pilot program, give feedback on a few program details, and share their current parking challenges. Learn more and RSVP at: [bldr.fyi/GossGroveParking](https://bldr.fyi/GossGroveParking). Refreshments and live interpretation in English and Spanish will be provided.

#### **Download Your Score Report from the Spring PSAT and SAT Exams**

Students who took the PSAT or SAT this spring can get their full score report online at <https://studentscores.collegeboard.org>. Students will need to log in to their College Board account or create an account to access the report. Link to College Board's [Your Score Report Explained](#) for more information. In the fall, scores will also be available in Infinite Campus and Naviance.

#### **After Prom Photos Are Available!**

Check out the photos from After Prom and download for free!

#### **National Latin Honor Society Cord Recipients**

Congratulations to the following students as they receive their graduation cord for their commitment to their studies in Latin: Sloane Smith, Sylvia Pew, Charlotte Neimann, Jane Twetten, Juliana Iannetta, and Finn McCormack (pictured with Assistant Principal CJ Smith).

**Have a Great Summer!**

The Boulder High staff wishes everybody a relaxing, safe summer, and we look forward to seeing you in the fall! This is our final *Panther Post* of the school year.

**COUNSELOR'S CORNER****BVSD Online Summer Registration Ends May 29!**

Interested in taking a summer course with BVSD Online? Please visit the [BVSD Online website](#) for a list of available courses and to register. The deadline to register is May 29. See your counselor if you have any questions.

**Summer Credit Recovery**

Students, if you have failed a class at Boulder High and are interested in summer credit recovery, please come talk with your counselor.

**Juniors! College Planning Summer Checklist**

Summer can be a great opportunity to prepare for fall college application season. Review the [College Planning Timeline for 11th Graders](#) on our website.

**GRAD +****BVSD APEX Programs**

We still have some space available in a few of our [BVSD APEX programs](#) in the fall. Check out these amazing opportunities below. For more information, please connect with our APEX CTE counselor at [amy.buss@bvsd.org](mailto:amy.buss@bvsd.org).

**Environmental Sustainability:** Let the outdoors be your classroom in the Environmental Sustainability Program at Apex! Situated by Sombrero Marsh, this class will learn about forestry, wildlife, and natural resource conservation and management. Partnered with FRCC; students have the opportunity to earn 9 college credits!

**Film and Video Arts:** This artistic, hands-on program explores different types of video production including narrative, documentary, animation, and more! Students will use professional equipment for both long and short term film projects. This program partners with FRCC for 12 college credits.

**Computer Science:** Both programs partner with FRCC for college credits.

- **Cybersecurity** introduces core cybersecurity concepts, security integration, ethics, and best practices for protecting digital systems.
- **Creative Computing** is a new program that will help you turn your creativity into code by learning core programming, mobile app development, and game design skills. The hands-on nature of this program prepares students to design, build, and test interactive technology for real-world applications.

**Important News You Might Have Missed****Free & Reduced Lunch Information | Student Fee Exemption**

To apply for Free & Reduced Lunch (including exemption of student fees): Link to information: <https://food.bvsd.org/meals-nutrition/free-reduced-meals>

If you are already enrolled in the Free & Reduced Lunch program but your fees are not exempted in Infinite Campus, please follow the instructions below to share your exempt status with BHS. You must click this link in order for this information to be shared with BHS at the beginning of each year: [BVSD Parent Tools - Sign into Benefit Info Sharing Form](#). If you choose not to share this information, your fees will not be exempted in Infinite Campus. Please contact [Alana.morales@bvsd.org](mailto:Alana.morales@bvsd.org)

**“Distraction Free BVSD”—Cell Phone Policy**

Students should not have their phone out at school for any reason, in or outside of the classroom, in the hallways, library, cafeteria, courtyard, or any in-building spaces during the school day. Violations are cumulative for devices a student uses at inappropriate times for

the entire semester. To see the policy in its entirety, please refer to the BHS website.

**Parking: Please Be Mindful of Our Parking Policies**

Parking lots are NOT to be used for student drop off or pick up. This presents a major safety concern for students and staff. Please drop off your student on Arapahoe or in the surrounding neighborhoods and allow them to walk to the building.
