Choose **ONE** work of fiction to read AND annotate. This work must be age and grade-appropriate and over 200 pages in length. This work must be one you have not read before nor can it have a TV/movie adaptation made from it.

Use sticky notes to mark your annotations (even if you write in the book) with a portion of each note sticking out at the top or right side of the book. While I am not providing a specific list of expected annotations, your annotations should prove your in-depth interaction with the text as you read. Make sure your name is written on a sticky note on the inside cover of the book.

You will turn in your annotated copy of the book on the first day of school. Be prepared to complete some assessment(s) and engage in discussion regarding your book during the first days of school.

No digital copies will be accepted for summer reading or school reading.
