Read AND annotate the following **two** books:

1. Choose one of the following dystopian novels; it must one you have not read before
 - 1984 by George Orwell
 - *Brave New World* by Aldous Huxley
 - *The Marrow Thieves* by Cherie Dimaline
 - *The Forgetting* by Sharon Cameron
 - *Divergent* by Veronica Roth
 - *Flawed* by Cecilia Ahern
2. Choose one work of fiction (age and grade-appropriate AND over 250 pages in length) you have not read before; it cannot have a TV/film adaptation

Use sticky notes to mark your annotations (even if you write in the book) with a portion of each note sticking out at the top or right side of the book. While I am not providing a specific list of expected annotations, your annotations should prove your in-depth interaction with the text as you read. Make sure your name is written on a sticky note on the inside cover of the book.

You will turn in your annotated copies of the books on the first day of school. Be prepared to complete some assessments and engage in discussion regarding your book during the first days of school.

No digital copies will be accepted for summer reading or school reading.
