The Saint Mary's Hall Student Transportation Program is a partnership between SMH, students, and parents. The goal of that partnership is to provide safe and efficient transportation for students at all levels, Montessori, Kindergarten, and Forms 1-12 to and from school. Participants in the program agree to abide by all guidelines/policies established by SMH as contained within the Enrollment Contract and Student/Parent Handbooks.

Morning Schedule

The morning vehicle schedule is consistent every day for each route. Lower School students will be dropped off in the **Lower School Circle** each morning and Upper and Middle School students will be dropped off in the **Middle and Upper School Circles**.

Afternoon Schedule

Like carpool, Lower School students will be called to board the vehicle at 3:30pm.

The Middle School/Upper School vehicle will pick up students in the **Middle School Circle** at 3:40pm.

There is no transportation service for Middle and Upper School students who participate in after-school athletics and co-curricular activities. Parents must make transportation arrangements for students who are unable to be on the vehicle by 3:45 pm.
