

As we head into the final stretch of the school year, there's a lot of excitement happening across Rogue River School District cafeterias. From favorite menu items to student activities and upcoming celebrations, our teams have enjoyed serving students and staff throughout the spring season.

Friday lunch continues to be a student favorite with both pasta and pizza on the menu. These popular meals have been a great way to end the school week, and students have been excited to see them featured regularly.

At the elementary school, our recent Self-Manager Celebration was a huge success. Students were recognized for their responsibility, positive behavior, and leadership, and it was wonderful to celebrate their accomplishments together.

We are also proud to continue supporting our Drama Club by providing healthy snacks during practices and activities. Keeping students fueled and energized helps support both learning and creativity beyond the classroom.

Spring has brought plenty of fresh strawberries to our cafeterias, and students have been enjoying this seasonal favorite as part of our fresh fruit offerings.

Looking ahead to June, Chartwells is excited to support our 6th graders during their annual 6th Grade Campout. We are proud to help make this memorable experience even more special for students as they wrap up their elementary school years.
