

Classified to Teacher Program

What is the Classified to Teacher program?

SMUHSD recognizes the amazing teaching potential of our classified employees!

The Classified to Teacher program will provide tuition assistance or living stipends to current SMUHSD classified employees to earn a bachelor's degree and enter a teacher preparation program, or if they already have a bachelor's degree, enter a teacher preparation program to earn their teaching credential.

Who can participate?

Current classified employees of SMUHSD who have an AA/AS degree (or equivalent to two years of college) or higher degree are eligible for this program.

Partnerships

Participants can choose from the following partnerships:

- San Jose State University
- San Francisco State University
- Marshall Teacher Residency

Opportunities

Participants can earn:

- BA/BS degree
- Single subject teaching credential
- Education Specialist credential
- Single subject credential and Masters
- Education Special credential and Masters
