Superintendent Report
May 19, 2026

- We **commend our staff at LCS** for a very successful Author's Tea event on May 15. Over 100 parents, grandparents, older siblings, and guardians came to celebrate our young authors' writing and enjoy light refreshments ☺
- Update ~ HB 751 is the remaining bill addressing statewide **Open Enrollment**. The bill will be discussed in a Committee of Conference on Monday, May 18. The committee will work to negotiate a final version of the bill that can successfully pass both the House and Senate before the current session concludes. June 4th is the last day for the House and Senate to act on a Committee of Conference report.
- We worked with the **Mason** Superintendent and scheduled an "open house" for Mason families that are interested in learning more about WLC on June 2, from 5:00 to 6:00 pm.
- I will accompany our **Bio Trek** students to the Finals at Manchester on May 21. Led by Ms. Blais, our students will compete with student teams from other schools to present their work with advanced technology, entrepreneurship, and advanced manufacturing. Note: This is an incredible learning and teaching model that takes a student led, design-thinking approach, focused on solving complex problems that have real world application. Ms. Blais is commended for her investment in our students and this program!
- At the April 21st School Board meeting, the Board heard a brief proposal to replace 400 of the flimsy blue **chairs at WLC**. At that meeting, the Board asked for more cost effective options. At this time, we have narrowed the chair replacement to two options:
 - Upholstered Metal Folding Chairs - \$13,268 (400 chairs @ \$28.62 each plus \$1,820 shipping)
 - Traditional Metal Folding Chairs (not upholstered) - \$9,120 (400 chairs @ \$19.16 each plus \$1,456 shipping)
 - Upholstered partially, burgundy chairs- \$13,224 (400 chairs @ \$28.51 each plus \$1,820 shipping)

Chair carts for 400 chairs - \$5,982.48. Does not include shipping (cannot be confirmed until the order is placed \$2,000?). We are waiting on feedback from Facilities and WLC on if we can accommodate 12 chair carts or what other storage options there are.

- **Van purchase** follow-up (12 passenger). We recommend that we move forward with Grappone Ford immediately.

Grappone 2025 New	\$60,000	Includes upgrades: 360 camera package, ecoboost engine, tow package, 12" screen,
