# Welcome to PreK4!

## Here are some summer learning activities to help you get ready for the new school year.

- Have fun!
- Be safe and kind. Listen to your parents and always "Take Time to be Kind."
- Read or be read to! Have an adult or a sibling read to you. Try reading on your own. Do it every day!!!
- Practice writing letters and learn their sounds
  - Use crayons, pencils, paint, shaving cream or even just water and a paintbrush on a hot day outside. If you know your sounds, practice writing words. Sound them out. Write about a special day or about a picture you drew.
- Go on a letter hunt! Have an alphabet page printed out and cross off any letter you see until they are all gone.
- Cook with your parents. Making a recipe is a great way to practice math, science, literacy, and daily living skills!
- Play board games to practice turn taking, following rules, and learning how to win and lose gracefully.
- Play outside! Those big muscles need to be exercised too. Run around, play in water or sand boxes, use bubbles, hula hoops, and visit playgrounds.
- Pray. Remember to say "Good Morning to Jesus." and to ask Him to bless you as you sleep. Thank Him for all the awesome things He has given you. Remember "Jesus Loves You."

## continued

- Pool Noodle Pattern: You can use them for learning math and have fun. Cut them in slices, count and sort them by colors.
- Have Fun outdoors: Create a Hopscotch by your garage or sidewalk. Write numbers or letters in each box and play saying the letter, sound or number.
- Fun Activity at the beach: Sensory skills. Collect seashells. Sort them by sizes, count them and make a fun craft.
- Play simple board games (Age Appropriate) like bingo, feelings charades, listening games, etc.
- Practice Heggerty Phonemic Awareness at home by watching these videos
