Manville School District
1100 Brooks Blvd., Manville, NJ 08835 • www.manvilleschools.org

Dear Parent/Guardian:

2026-2027

The Manville School District Nursing Team would like to provide you with the following information. Questions, concerns, and any documentation should be directed to your child's school nurse.

All forms may be found on the MSD website :
https://www.manvilleschools.org/departments/health-wellness

Screenings
The screening schedule is provided below. **Parents/Guardians may exempt their child from screening by submitting a written request to the child's school nurse no later than September 30, 2026.**

- All Students: Height, Weight, Blood Pressure
- Vision Screening: Grades K, 2, 4, 6, 8, 10
- Auditory Screening: Grades K-3, 7, 11
- Spinal Screening: Grades 5, 7, 9, 11

Immunizations
The Manville School District will comply with the NJ Department of Education requirements regarding immunizations.

- **Entering PreK/K or transferring into the district:** immunization information to be provided during registration. Please follow any directives you received during this time.
- **Students entering Grade 6 must present proof of receiving Tdap and Meningococcal immunizations prior to the start of school in September.**

Physical Examinations
Physical examinations are required within thirty days upon initial entry into the school district. Please provide your child's school nurse with any updated information received during annual well-child exams.

Students participating in inter-scholastic or intramural sports in Grades 6-12 are required to have a current NJSIAA sports health history and physical examination. The forms for sports physicals can be found on the district website.

Manville School District
1100 Brooks Blvd., Manville, NJ 08835 • www.manvilleschools.org

Medications
Medication authorization signed by the prescribing healthcare provider is required for any medication (prescription or over-the-counter) taken by a student during the school day, or during school-sponsored events. Students are permitted to self-carry certain medications (e.g., epinephrine auto-injectors, inhalers for asthma) provided a signed medication authorization is obtained, which includes medical provider and parental permission to self-carry/self-administer.

Health History Update
Annual Student Health History forms must be updated through the parent portal in Genesis. The school nurse will use this information to update your child's school health record to reflect any new information provided.
https://www.manvilleschools.org/parentscommunity/genesis

We look forward to working with your child during this upcoming school year.

Sincerely,
The Manville School District Nurses
