2026–2027 Technology Usage Fee & Damage Fees for Grades 6–12

Dear Parent/Guardian,

As part of our commitment to supporting student learning, and to help maintain district devices and technology services, a **non-refundable \$50 technology usage fee** is required for all students in grades 6–12. This fee is **due at Verification of Residency, July 20-21, 2026**.

Do other school districts charge this?

Yes. Many districts in Mississippi and across the U.S. charge a technology fee to support device upkeep.

What happens if my student's device is damaged?

You'll be responsible for the listed damage fee:

iPad: \$150	Keyboard: \$80	Charger: \$15
--------------------	-----------------------	----------------------

Does this fee cover lost items?

No. The fee only helps offset the cost of damage, not lost items.

We ask that students handle their devices responsibly. If damage occurs, the applicable fee(s) listed above will be charged.

Keep top portion for your records. Return the signed acknowledgment form to your student's school.

Student Name: _____ Grade: _____ School: _____

I have read and understand the information regarding the \$50 iPad technology usage fee, which is due at **Verification of Residency, July 20-21, 2026**, and the damage fees for school-issued devices and accessories. I understand that I am responsible for paying these fees if applicable. I understand if a device is lost or stolen, it must be reported immediately to my school librarian. Personal devices are not permitted for use on campus. Students will not be issued a device until all outstanding fees have been resolved.
