

AP Calculus ALC/AB Summer Assignment Instructions

To get started on your AP Calculus ALC/AB Summer Assignment, navigate to the website:

www.deltamath.com

The screenshot shows the DeltaMath website interface. At the top, there is a dark blue header with the DeltaMath logo on the left and 'Video Overview' and 'Create Account' on the right. The 'Create Account' button is circled in red. Below it, a dropdown menu is open, showing 'Student' and 'Teacher' options, with 'Student' also circled in red. Red arrows point to the 'Create Account' button and the 'Student' option. In the center, there is a 'Please sign in' section with fields for 'E-mail' and 'Password', and a 'Login' button. To the left of the sign-in section, there is a row of three small images of students.

Click on “Create Account” followed by “Student”

Enter your First Name, Last Name, Email address, & password, then click Create Account! You will be prompted to choose a section (please choose your respective course – AB or ALC). Please note this is NOT the Delta Math attached to Canvas. This is a separate course strictly for the summer assignment! You are now ready to get started on your Summer Assignment! Good luck!
