Apptegy Overview – Caden Mason was here via zoom. Sheldon Finley mentioned we do have 4 more years with our website so spending around \$9,000 for this would be a lot.

Fleet discussion – Val Suchor discussed the need to get on a rotation for busses. We are also going to need to look at replacing the Suburban and the car since they get used daily. Handicap van or vehicle of some kind should also be looked at, the van we have now is getting worn out. Pudwill will be on the lookout for vehicles.
