Nondiscrimination/Harassment
Students

BP 5145.3

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, harassment, intimidation, and bullying of any student based on the student's actual race, color, ancestry, national origin, ethnic group identification, gender, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school. (Education Code 234.1)

Prohibited discrimination, harassment, intimidation, or bullying includes physical, verbal, nonverbal, or written conduct based on one of the categories listed above that is so severe or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

The Board also prohibits any form of retaliation against any student who files a complaint or report regarding an incident of discrimination, harassment, intimidation, or bullying.

Note: The following paragraph is optional and may be modified to reflect district practice. Pursuant to Education Code 234.1, a district is required to publicize its nondiscrimination policies to the school community.

Note: In addition, in its October 2010 Dear Colleague Letter: Harassment and Bullying, the U.S. Department of Education's Office for Civil Rights identifies training of the school community as one of the key measures for minimizing discriminatory and harassing behavior in school. See the accompanying administrative regulation for specific measures to prevent discrimination and facilitate students' access to the educational program.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Students who engage in discrimination, harassment, intimidation, bullying, or retaliation in

violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline. Any employee who permits or engages in prohibited discrimination, harassment, intimidation, bullying, or retaliation shall be subject to disciplinary action, up to and including dismissal.
