# Instruction

## Organization of Instruction

The School District has instructional levels for grades 11 through 12.

The Executive Director shall annually present to the Board of Control a plan for organizing instructional levels and assigning them to school facilities in order to:

1. Support the District's educational program,
2. Maximize facility usage without undue overcrowding, and
3. Provide substantially comparable instructional programs across the District.

Students, for instructional purposes, may be placed in groups within the school which do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student must be identified as to grade-level placement.
