AP Research Article Annotation Worksheet

Instructions: Below, write your topic that you anticipate studying next year in AP Research. Then, you must find 5 scholarly, Tier 1 sources that address this anticipated topic for AP Research. Type up a Works Cited page, in proper MLA format (including alphabetical order and proper hanging indentation), and email that Works Cited page to youngm4@scsk12.org by 11:59 pm on August 2, 2026. For AP Research, your annotations will be handwritten, not typed. Additionally, the focus of annotations in AP Research is different. For each of the 5 scholarly, Tier 1 sources in your Works Cited page, complete a chart below explaining the METHODS the researchers used to conduct their study, their FINDINGS or overall CONCLUSIONS, and the SUGGESTIONS FOR FUTURE RESEARCH that they explain in their article or that you infer after reading their study. See the Summer Work Assignment for further detail.
