Revenue Sources by Percentage (2024-2025 Actuals)

Revenue Distribution

Expenditures by Percentage (2024-2025 Actuals)

Examples of Discretionary Expenditures

- Some transportation
 - *The amount of Art, Music, HPE, Library, Technology Education, Business are all above the required amount at all grade levels.
 - *The number of secondary core (ELA, Math, Science, Social Studies) departmental teachers could be reduced. This would effect class sizes and electives offered.
 - Athletics
 - Extra- and Co-Curricular activities
 - Student- and teacher-used technology
 - Library donation
 - Classroom supplies provided by District
- *all based on 22 Pa. Code

Legal Update

- The work required in the December of 2024 Right-to-Know court ruling has now been completed. All documents have been provided and will be uploaded to the District website.
- The total cost for Toshiba to ship and produce scanned files was just under \$17,500.
- The total amount of hours by our employees to complete redaction was approximately 850.
