

Office Of Development

On behalf of the Office of Development welcome to Seton Catholic! On these pages we invite you to learn more about giving to Seton Catholic, and about the lasting impact charitable gifts have on the programs and students we serve.

FACT

This year, over 50% of our students rely on financial aid in order to attend Seton Catholic. With your support, we can continue to provide a transformative, faith-based education to all of our students, regardless of their ability to pay.

WHY IS THE ANNUAL FUND SO IMPORTANT?

Seton Catholic College Prep is a non-profit school that does not receive any financial support from local, state or federal sources including the Archdiocese of Seattle. The annual operating budget is comprised of incoming funds such as tuition, charitable donations and other fundraising efforts. The cost of tuition does not fully cover the cost of each student's education, so charitable donations bridge the gap between the actual price of education and the amount that is paid.
