🌈 Summer Fun Day – Rainbow Raffle! 🌈

Dear Parents/Guardians,

May 2026

We're excited to be running our Rainbow Raffle again this year after the fantastic success we had last summer. Each year group is invited to bring in a new item in their allocated colour, and the year group that collects the most donations will win a free ice lolly for every child in that year group.

Our aim is to create **14 beautiful hampers** to raffle off at the Summer Fun Day in June.

Donation Week: Starting 8th June Please bring all donations to your classroom. Collection boxes will be available in each class. If you are donating **alcohol**, please take it directly to the school office with a note stating your child's year group.

From *wine to washing-up liquid, biscuits to bubble bath* — and everything in between — all items are welcome as long as they match your year group's colour.
