Health and Puberty Education
Classroom Guidelines

Davidson County Schools' classrooms will adhere to the following guidelines to ensure all students can gain knowledge and learn skills in a comfortable, safe environment. By signing this form we indicate that we have discussed these guidelines as a family.

- I will not ask personal questions or share personal information with the class.
- I will learn and use correct words, not slang.
- I will show respect for others feelings and personal values.
- I will not intentionally embarrass others by what I say or do.
- I may "pass" or skip over an activity, if I choose.
- The teacher will be open to questions and will guide me to find correct and factual answers.
