

Dear Second Grade Families:

Welcome to second grade! We are very excited to begin this school year, and we hope you are as well! We would like to take this opportunity to review some of the things that you will need to know for this year. Our goal is to provide an environment that will help students be responsible, respectful, and safe. We know that working together as a team will produce great results.

Attached you will find a supply list the students will need by the end of the first week of school. We understand the hardships that may be occurring now, and understand that you may not be able to obtain every item below. Students can reuse items they have from last year, and share with their siblings. Please contact your child's teacher if you have any questions or concerns.

Sincerely,
Grade 2 Teachers

2nd Grade Homeroom Supplies
