GISS GAME NIGHT

Game night was full of fun and memories. Inside the MPR, we had 3 PS stations with games like FIFA, GTA, and more.

Game night also featured a bake sale with a wide variety of food. We had chips, muffins, crepes, pizza, ice cream, and way more!
Game night had boards like Qui-est-ce, Monopoly, and Uno.
Game night was all about fun and friends.

SUNSHINE COMMITTEE

A positive work environment matters. The Sunshine Committee brings just that—a fun way to end a busy week and start the weekend. It's a place to relax, enjoy fresh tropical fruits, indulge in sweet or savory bites, and sip on coffee or tea. Add a smile, some good music, and a friendly atmosphere—and you'll be surprised how much joy can fit into just 30 minutes!

Every Friday, from 7:30–8:00 AM on the AISOY campus, the Sunshine Committee helps staff recharge and ease out of the usual morning routines—all provided with care, thanks to the staff's contributions.
We also show care and hospitality throughout the year—supporting one another during happy and difficult times, sending birthday cards, and sharing cake at the end of each month. Staff well-being is our passion!

Staff special start to our Fridays

BACK TO SCHOOL NIGHT

Back to School Night for our elementary families was a wonderful opportunity for parents and teachers to connect and celebrate the start of a new school year. Parents had the chance to hear about their child's progress so far and learn more about how the IB Primary Years Programme encourages curiosity, inquiry, and a love of learning.

For secondary, teachers highlighted classroom expectations and upcoming projects. At the same time, parents were able to ask questions and gain insight into how we are guiding students through a challenging and rewarding academic journey.

HOUSE GAMES

There is no better way to start off the school year than with some friendly competition. On Friday, the 12th of September, there was a lively tug-of-war event where the red lions, yellow vipers, green jackals, and blue mambas went head-to-head to earn the title of victors.

This event was a lovely collection of joy and fun. It really was an amazing sight to see teachers and students work together to create a fun and interactive environment. The dodgeball was intense, and the tug of war was competitive. Yet, we still had lots of fun!
