This monthly magazine serves as a platform for the community to share news, events, sports matches and school highlights from AISOY

PYP Exhibition

During the recent PYP exhibition, our fifth-grade students demonstrated remarkable dedication and creativity in their presentations. Each group impressed their audience with unique, engaging displays that reflected deep thinking and thorough research.

The students spoke clearly and confidently, maintaining a professional tone and staying focused throughout. They included thoughtful details to keep their audience engaged and wrapped up with strong conclusions that highlighted their key messages. Their memorable endings left a lasting impact on everyone in attendance.

We're incredibly proud of the hard work and presentation skills our fifth graders showcased—well done to all!

A Night to Remember: Celebrating the Class of 2025

On the evening of 23rd of May 2025, the atmosphere at The American International School of Yaounde was filled with pride, joy, and a touch of nostalgia as we gathered to celebrate the Graduation Ceremony of the Class of 2025. Family, friends, teachers, and fellow students came together to honor a remarkable group of young individuals who have not only excelled academically but also left a lasting mark on our school community.

A highlight of the evening was the emotional walk across the stage, as each graduate received their diploma to thunderous applause and the occasional tear. Dressed in classic caps and gowns, the graduates shone brightly, not just in appearance, but with the promise of the future ahead.

A musical performance by one of the graduating seniors Maxwell Ngoh Ngoh added a special touch .The ceremony concluded with the traditional cap toss—an iconic moment symbolizing both an ending and a new beginning.

To the Class of 2025: your journey is just beginning. We are proud of all you've accomplished and can't wait to see where your dreams will take you next. Congratulations, graduates!

Middle School Dance

On Friday, May 16, Student Council threw a disco-themed dance for middle school, and it ended up being one of the most fun events of the year. The dance was held in the Multi-Purpose Room, and the hallway was set up with snacks and drinks for everyone to grab when they needed a break from dancing. The turnout was way bigger than expected, and almost everyone showed up looking amazing, whether they were dressed in suits, dresses, or jumpsuits, people really showed out.

The music was all over the place in the best way possible, with options for everyone. Students could even go up to Mr. K, who was DJing, and request songs throughout the night, which made the playlist good for everyone. People danced with their friends, with their dates, or just in big groups, and the energy stayed upbeat the whole time.

Instead of the "Ship Box" we had at the last dance, where people wrote down couples they thought should be together, this time there was a "Gossip Box." You could write down anything, drama, jokes, or who you shipped, and at the end of the night, the hosts read the notes out loud. It was really fun, and a great idea from the Student Council.

Overall, it was a very fun and a good night, and everyone's already looking forward to the next one.
