EASTER EGG HUNT

This Thursday 17th April, Elementary students went hunting for Easter eggs in the green areas on campus. The hidden eggs had candies in them and finding the eggs brought large and wide smiles on all the faces.

Students had to follow the clues on orange papers to know where to go and what to do. Much Fun for All!

SPIRIT WEEK

What a joy to share with Parents and families! We gladly presented, Spirit Week at AISOY was filled with creativity, excitement, and school spirit. Monday started with Twin Day, where students showed up in matching outfits with their friends. The halls were filled with funny duos and matching groups, making the start of the week very interesting.

On Tuesday, students and teachers switched outfits for opposite day. Students came dressed in all sorts of fancy clothes, while teachers put on their most relaxed outfits, really showing off the school's humor and fashion. At the end of the day, all the students went around the courtyard to tell their wonderful seniors farewell and wish them amazing upcoming years.

By Wednesday, the school spirit stayed high with Anything But a Backpack Day, where students carried their books in anything they could find, bags, suitcases, and even pillowcases. It was incredibly fun. Thursday kept the spirit alive with Career Day, as students dressed up as their future dreams. There were doctors, actors, lawyers, and more walking through the halls, inspiring people to think about the future and their goals.

The week ended with Character Day on Friday, where students dressed up as their favorite book characters. There were minions, Percy Jackson characters, and anime characters.

After Character Day, the National Honor Society (NHS) organized an amazing Bingo Night event with multiple different rewards and vouchers, putting the perfect end to this very fun and spirit-filled week.

BINGO NIGHT

On April 25th, the National Honor Society hosted a super fun Bingo Night – and it was a hit! With over 100 people in attendance, the courtyard was packed with students, families, and teachers all ready to test their luck and win some awesome prizes. Although we were hit with rain, the show went on and this year's Bingo Night was a memorable one.

Thanks to the NHS members' initiatives, we raised over 1 million CFA in sponsors for this event, and the proceeds of the event will go toward future NHS initiatives and community projects. There were plenty of laughs, competitive bingo rounds, and even a few dramatic “Bingo!” moments.

A big shoutout to all the NHS members who planned and ran the event - you kept the energy high and the numbers rolling.

LABOR DAY PARTY

...to share with Parents and families! We gladly present...
discussed with, taught, exercised and shared highlights from our
May 1st is a yearly opportunity to celebrate togetherness and the spirit
of work. It is also an opportunity to recognize and honor the dedication,
passion, and resilience that each of us brings to AISOY every single day.

As HR Officer here at AISOY, I have witnessed firsthand the commitment you put into your roles ; the late nights, the creative solutions, the teamwork, and the extra miles walked to make our mission a reality. Your hard work does not go unnoticed. You are the heart and strength of AISOY.

On this Day, we remember what we have achieved, reflect on the challenges we've overcome, and look forward with renewed energy. An important moment was the Medals ceremony for long service Cameroonians. Let's continue to care for ourselves and each other, helping one another and all rise and shine.

Happy Labor Day!.
