

This monthly magazine serves as a platform for the community to share news, events, sports matches and school highlights from ASOY

SOCCER TOURNAMENT STAFF/STUDENTS

The ASOY men's football team kicked off their season in style with a thrilling match against the ASOY staff on January 10th. In an exciting showdown between youth and experience, the students showcased their skill, speed, and teamwork, securing a 10-4 victory over their teachers. The match started with both sides displaying strong energy, but the students quickly took control of the game. Aguibou was the standout performer, scoring an incredible five goals, making him the top scorer of the day. The student team's offensive play was relentless, consistently breaking through the teachers' defense.

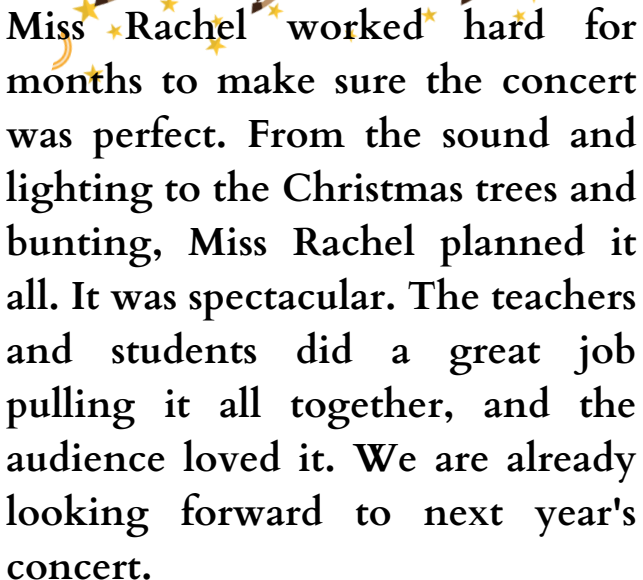

Despite the loss, the staff team put up a strong fight, with moments of brilliance and well-executed plays that kept the game competitive. Their experience and strategy led to some impressive goals, proving they were not an easy team to beat.

In the end, the students' determination and teamwork secured a well-earned win, setting a promising tone for the rest of the season. With such an explosive start, fans can look forward to more exciting games ahead! Stay tuned for the next match as the ASOY football team continues their journey this year.

The whole school and family members gathered together and had an amazing afternoon. Right before the concert, STUCO held a bake sale raising 105,000 cfa. There were cookies and crepes, crisps and cake, but the best part was definitely the music.

ANGEL DRIVE

This year, ASOY's Student Council committee proudly organized the annual Angel Drive Christmas event, a heartwarming initiative that brought students and faculty together. Members of our school community generously donated food, clothes, and toys, creating a wonderful selection of gifts for over 100 children from four local orphanages.

The STUCO committee took great care in wrapping each donation beautifully, ensuring that every child felt cherished and valued during the holiday season. Seeing the children's faces light up with joy as they received their presents was a magical experience, truly showing the spirit of Christmas. We continued this cherished tradition not only to share joy but also to encourage kindness and compassion among our students.

A heartfelt thank you goes out to all the faculty, staff members, and students who contributed their time and efforts along the process; their hard work and generosity made this event a success and will be remembered in our community for years to come.

NHS - DONATION

On the 11th of December 2024, NHS kept the yearly tradition of the Staff Donation Drive going. At the end of last year, the NHS organized a food donation drive to show our gratitude for our school's property and support staff (security guards, maintenance, cleaners, drivers, and canteen). The initiative aimed to show appreciation for their hard work and dedication, especially during the busy holiday season.

The initiative was aimed at giving back to those who work tirelessly behind the scenes to keep our school running smoothly. With donations from students, parents, and teachers alike, the drive provided essential food items to help celebrate the holiday season with our support staff, as well as a raffle with prizes bought by NHS. This drive reflected ASOY's spirit of community and solidarity, showing gratitude for the support staff's hard work and dedication throughout the year. A huge thank you to all who contributed to making this effort a success!
