ALUMNI, STAFF & STUDENT SOCCER GAME

On the morning of November 2nd, 2024 there were a series of football matches at ASOY's football field. The first match was between the ASOY High School Football team and the ASOY alumni. Kwame, a student in 11th grade, went for a shot. The ball was deflected but went straight to the goal. At half-time, the scoreline was 1-0. In the second half, Kairos, Aguibou, and Chris each scored a goal. In the end the scoreline 4-0 in the students' favor.

In the end, the student faced the teachers in the final and the teachers won 4-2 in the tournament only conceding 3 and received rewards.

Write up by Johann, Grade 8

The second match was between the ASOY teachers and the ASOY alumni. The teachers started with a lot of energy. Mr. Joseph started with an early goal, making the scoreline 1-0 in the teachers' favor. In the second half, Mr. Martin scored another goal, widening the scoreline to 2-0. Unfortunately for the teachers, an alumni scored a late goal. But that was not enough, as the match ended 2-1 in the teachers' favor.

NHS started this year off with a bang, with the return of the Halloween Fun Fair! This year's Halloween Fun Fair, organized by the National Honor Society (NHS) Club, was a huge success! Held in the school gymnasium, the event featured a variety of activities for students of all ages. From a spooky haunted house to carnival games like sponge toss and basketball shot, there was something for everyone. The NHS members worked hard to transform the space with eerie decorations, creating a fun and festive atmosphere. Costumes were encouraged, and many students showed up in creative outfits, adding to the excitement.

In addition to the games and decorations, the event featured a bake sale with delicious treats. Turnout was good, with many having a great time among the students and staff. The proceeds will go toward NHS community service projects. Overall, it was a very fun and memorable Halloween night for the school community!

Asante Langa, NHS President

The Halloween Fun Fair is an event organized annually by the National Honor Society Club. This 2024-2025 Halloween's Fun Fair was a big success. It was held at the ASOY gym and the School Community was invited with their families to celebrate and cherish fun moments as different activities were available. People spoke highly of the best activity--The Haunted House. Such a scary experience for most people!!! In conclusion, this event left people mesmerized while they await for an even better experience next year.

VOLLEYBALL WAISAL

The WAISAL tournament in Abuja was an unforgettable experience for the ASOY High School Girls Volleyball Team. After months of preparation and dedication, winning the championship was a moment of immense pride and accomplishment. Over three intense days, we faced five formidable teams, each presenting unique challenges. The pressure to perform and represent ASOY pushed us to dig deep, but it was our team spirit and resilience that carried us through the toughest moments.

One of our biggest challenges was adapting to the unfamiliar environment and managing the mental and physical demands of back-to-back matches. Miscommunications and fatigue tested our resolve, but we consistently regrouped and supported one another. By staying adaptable and focused, we turned setbacks into opportunities, reminding ourselves that every point mattered. Our ability to work as a team, combined with our shared determination, allowed us to overcome adversity and defeat all five teams: AISA, ISD, LCS, ARIS, AISL, and ICOSA.

Winning the championship was a testament to our perseverance, teamwork, and unwavering belief in one another. It wasn't just about the victory—it was about the journey, from the early practices to the lessons learned on and off the court. This experience showed us the power of unity and hard work, and we are proud to have represented ASOY with heart and determination.

PYP READING

The PYP students had a blast on November 1, 2024 at their reading assembly. Our guest reader was the Director, Mr Glittenburg and he read aloud the book "If you take a mouse to school" by Laura Numeroff. Reading this book made him recall how he used to read to his kids when they were little. The French department had students demonstrate how reading can take readers to various places.

Finally, the Grade 1-5 jointly written story titled **THE JUNGLE LIFE OF A LITTLE GIRL** was disclosed to the entire school. Recounting his role at the assembly, Aijaz, a grade 5 student said, *"Do you like reading? Well, I do. I love reading so much that when I heard about a READING ASSEMBLY, I volunteered immediately! When I got the job, I did my BEST. I read part of the story created by grades 1-5 students. Reading it felt like I created the entire story. There were some younger risk takers as well, Charisma, Mia and Miki."*

To crown it up, students who had remained constant on their RAZ KIDS reading were acclaimed and recognized. A special gift created by Sangah(G5) was given to each of them.

OLYMPICS

The Ancient Greek Olympics were brought to life in a fun and educational event organized for 8th graders. For this IDU, PHE and I&S teachers helped Grade 8 students decide and engage other learners(Grades 8-12) in an Olympic-inspired day filled with exciting competitions.

The athletes participating were mainly from Grades 8-10, while the Grade 11 and 12 students took on the important roles of overseeing the activities, ensuring fair play, and recording results. an amazing showcase of Teamwork!

- Victor Atem - Grade 12

The event featured various athletic challenges, including the 100m run, 1000m run, long jump, shot put, and more. Each event was met with high energy and enthusiasm, as students competed fiercely for their house team, earning points as they won. The fun-filled atmosphere and the spirit of friendly competition made the day unforgettable. Everyone had a great time, with a sense of camaraderie and excitement, as the Grade 8 students successfully brought a piece of ancient Greek history to life, leaving everyone eagerly anticipating the next Olympic event.

• MEET MS RACHEL •

Personal Information

Formal Name Ms. Rachel
Nick Name Rachy
Birth Month January, 18

Her Favorites

- Color: Magenta
- Food: Chapati
- Pet: Poodles
- Music: Christian music
